**CRIME CONTROL AND PREVENTION DISTRICT
CITY OF JERSEY VILLAGE, TEXAS - AGENDA REQUEST**

AGENDA DATE: April 22, 2024

AGENDA ITEM: D

AGENDA SUBJECT: Consider Resolution No. 2024-01, amending the 2023-2024 Crime Control and Prevention District's (CCPD) Budget in the amount of \$262,002.19 and authorizing the funding for the purchase of new police radios and accessory equipment from the Crime Control Prevention District Fund.

Dept./Prepared By: Danny Keele, Chief of Police

Date Submitted: April 22, 2024

EXHIBITS: Resolution 2024-01
Exhibit A – Budget Amendment with Quotes

BUDGETARY IMPACT:	Required Expenditure:	\$ 262,002.19
	Amount Budgeted:	\$0
	Appropriation Required:	\$262,002.19

BACKGROUND INFORMATION: The Jersey Village Police Department is requesting \$262,002.19 from the CCPD budget to purchase new police radios and accessory equipment to include earpieces and portable radio cases. New police radios and accessory equipment is essential to uphold the highest standards of safety and protection for our citizens. Effective and reliable police radio communication is a critical lifeline that ensures the safety of our officers in the field and provides a crucial layer of liability protection for our city.

Our current police radios were purchased in 2012 for the amount of \$220,998.00. These radios have surpassed their operational lifespan. According to the manufacturer these radios were designed and expected to serve effectively for a period of five to seven years. These devices have doubled the manufacturer's recommended time frame. Due to the age of the radios, there has been an increase in repairs along with issues related to the radios' efficiency and reliability. The warranty coverage has expired, and the department has experienced a notable increase in maintenance costs along with the radios being out of service for extended periods of time for repairs.

Uninterrupted radio communication can be the difference between life and death for police officers and our community. The reliability of our current radios presents a risk for our officers' safety. This risk increases liability concerns for the City. The proposed upgrade to new radios is a necessary step towards enhancing our operational capabilities and addressing the safety and liability concerns associated with the age of our old radios.

The inquiry into purchasing new radios began during the 2023-2024 budget planning process. At that time, the Department began researching multiple radio manufacturers. Each radio manufacturer had its own set of unique benefits and concerns. A decision was made at that time to be diligent in our efforts to ensure all options were explored before requesting funding for an expenditure of this magnitude.

In an attempt to be fiscally responsible, the request for the purchase comes mid-year in an attempt to save money. The Houston-Galveston Area Council (H-GAC) Buy Board has announced a price increase of approximately 9.45%, which is set to take effect in June 2024. By securing the purchase of new radios and accessory equipment before this deadline, the City stands to avoid this cost increase. This request for funding to upgrade our police radios is driven by the need to maintain the highest levels of public safety, officer safety, and fiscal responsibility.

CCPD MEETING PACKET FOR THE MEETING TO BE HELD ON APRIL 22, 2024

Included with the agenda item you will find the quote from Northwest Communications, an HGAC Buy Board Member, for \$254,744.80 representing the cost of the new radios. This quote also includes the cost should the City wait until after June 2024 to purchase these same radios at a significant increase.

Also included in the request is the cost for radio earpieces from N-ear at \$5,212.19 and the cost of the portable radio cases at \$2045.20 from Zero9 Holsters. The addition of the accessory equipment brings the total cost to \$262,002.19.

RECOMMENDED ACTION:

MOTION: Approve Resolution No. 2024-01, amending the 2023-2024 Crime Control and Prevention District's (CCPD) Budget in the amount of \$262,002.19 and authorizing the funding for the purchase of new police radios and accessory equipment from the Crime Control Prevention District Fund.

RESOLUTION NO. 2024-01

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE JERSEY VILLAGE CRIME CONTROL AND PREVENTION DISTRICT, AMENDING THE BUDGET OF SUCH DISTRICT FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2023, AND ENDING SEPTEMBER 30, 2024, IN THE AMOUNT OF \$262,002.19; AND AUTHORIZING THE PURCHASE OF NEW POLICE RADIOS AND ACCESSORY EQUIPMENT FROM THE CRIME CONTROL AND PREVENTION DISTRICT FUND.

WHEREAS, the City has received notice from the Houston-Galveston Area Council (H-GAC) Buy Board of a price increase of approximately 9.45% for radios purchased from the program after June 2024; and

WHEREAS, the Jersey Village Police Department’s (the Department) current radios have exceeded their life span and are experiencing the need of constant repairs; and

WHEREAS, the Department had intended to request new radios during the 2024-2025 budget period; and

WHEREAS, given the cost increase beginning in June 2024 and in an effort to be fiscally responsible the Department is making a request to purchase the radios and accessory equipment during the 2023-2024 budget and as such have received quotes from Northwest Communications, an HGAC Buy Board Member for the radios and from N-ear and Zero9 Holsters for the accessory equipment; and

WHEREAS, subsequent to the adoption of the annual budget for the Jersey Village Crime Control and Prevention District for the fiscal year beginning October 1, 2023, and ending September 30, 2024, the District had not anticipated this expenditure change; and

WHEREAS, the City Manager recommends that such budget be amended to reflect such purchases and expenditures in accordance with Budgetary Transfer Amendment Request Forms attached hereto and made a part hereof as “Exhibit A”; and

WHEREAS, the District Board of Directors finds and determines that the budget should be amended as recommended by the City Manager in order to purchase new radios and accessory equipment; **NOW THEREFORE**,

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE JERSEY VILLAGE CRIME CONTROL AND PREVENTION DISTRICT THAT:

The annual budget of the Jersey Village Crime Control and Prevention District for the fiscal year beginning October 1, 2023, and ending September 30, 2024, is hereby amended in the amount of \$262,002.19 by increasing the appropriations to the accounts contained therein as provided in “Exhibit A”, attached hereto and made a part hereof subject to approval of the City Council of the City of Jersey Village.
