

WORK SESSION MEETING OF THE CITY COUNCIL  
CITY OF JERSEY VILLAGE, TEXAS – May 10, 2019

Council ended the work session with a discussion about the interior design selections for the new Golf Course Convention Center and Clubhouse. It was the consensus of Council that a timeless design is desired with a contemporary style. Some felt the orange carpet was weird and others did not want parquet flooring.

**ADJOURN**

With no further discussion, the meeting was adjourned at 4:59 p.m.
