

DISASTER RECOVERY – UPDATE #2, APRIL 26, 2016

★ DEBRIS REMOVAL

-Ashbritt Environmental will begin the first round of storm debris removal on May 2, 2016. A second round is set for May 23, 2016. Please make sure that regular household garbage is kept separate from storm debris.

★ Solicitors without a permit should be reported to the Police Department at 713-466-5824

★ Enhanced patrolling by JV PD will continue

★ The City Building Official or authorized representative will be visiting all homes impacted by flooding to do a required F.E.M.A. initial report

★ PERMITS

-“No Fee” permits have been authorized by City Council for repairs done to flood damaged homes. The “No Fee” permit is required for the homeowner’s protection. The process will allow City staff to ensure contractors are properly licensed, and also ensure that inspections are completed.
