Dear Friends and Neighbors,

If you missed out on the amazing Founder's Day celebration last year, I encourage you to go ahead and mark your calendar now. The 2023 celebration is scheduled for Saturday, April 15<sup>th</sup> from 4:30pm to 9:30pm at Clark Henry Park. In addition to food, games, rides and entertainment, there will also be a firework show at 9:15pm that evening. For more information, please visit the city's website at [jerseyvillagetx.com](http://jerseyvillagetx.com)!

I know that many citizens are looking forward to the new golf course clubhouse, and we're closer than ever to moving forward with construction. We have reviewed some preliminary interior designs and I think our residents are going to be very excited by what is in store for this new venue. The details for construction are being finalized and we hope to break ground this summer, with a grand opening scheduled for summer 2024.

Speaking of the golf course, I am happy to report that through the first quarter of the city's fiscal year, the golf course is profitable. The golf course staff has done a great job creating an amazing environment for both golfers and non-golfers, and the investments the city has made in improving the course have made it one of the best courses in the area.

As I mentioned in last month's newsletter, I am holding my next mayor's town hall on Tuesday, February 21<sup>st</sup> at 7:00 pm at the Jersey Village Civic Center. I hope to see you there!

Your neighbor,

Bobby Warren  
Mayor
