Tip of the Month – Repeat Tip!!

Did you know there is more than 2 grips! Every golfer thinks you either overlap or interlock. That's not true the oldest grip is the 10-finger grip that the index finger and the fore finger do nothing together. We somewhat were forced into the interlock or overlap grips when beginning golf. Even tour pros probably hated the interlock or overlap when their first instructor forced them into it. Yes it "ties" your hands closer together and that is a good thing, but a good 10 finger grip can stay together too. Most all the famous old-time golfers we all read about in golf history were 10 finger gripping. The main thing in your grip is to love it and if you struggle with feeling comfortable with the overlap/interlock, then try a 10 finger. Just make sure they are tight fit together and don't separate. If you have some pains in your hands or wrist sometimes a 10-finger grip will ease that some. I actually use a 9 ½-finger grip! LOL My little finger of my right hand is not totally overlapped on my left forefinger – it just sits lightly elevated in between the hands. That is comfortable to me. Get your hands comfortable on the club, do not squeeze too tight and don't change it, learn to love it. **Good Luck - Happy Golfing Matt Jones**

Sponsor a Park Bench

Support your Jersey Village Parks and Recreation department by sponsoring a park bench/memorial bench. Residents who sponsor a memorial bench can choose between a 6ft bench for \$250 or a 4ft bench for \$200. Each bench purchase includes the option to add a personalized plate, allowing you to inscribe it with a heartfelt message or the name of your cherished individual. You can even pick the location of where the bench will be placed (per approval). These benches will have the same design as the current ones at our parks.

Dog Park Memorial

For \$50, residents can personalize our dedicated dog park memorial bench with a beautifully crafted dog bone plate cutout, bearing the name or a heartfelt message dedicated to their canine companion. This symbolic gesture not only celebrates the bond we share with our four-legged family members but also adds a meaningful touch to our dog park. The bench has 25 slots available for Dog Bone cutouts.
