

**Jersey Village Sound Wall**

The sound wall behind Seattle (West Side of Senate Avenue) running behind the properties and then turning north and then west along Lakeview will commence work in the near future. The plan is for the sound wall to be completed by mid-Summer.

There may be some disruption of services, but the contractor and utility companies will do everything possible to limit these period. We ask residents to be patient during this construction period. ★

## City is Accepting Applications for Opening on the Planning & Zoning Commission

The Jersey Village City Council is accepting applications to fill the unexpired term for Position Two on the Planning and Zoning Commission. The term for Position Two began on October 1, 2017 and will expire September 30, 2019.

### The responsibilities of the Planning and Zoning Commission are as follows:

- 1) Advise the city council in the preparation and maintenance of a comprehensive plan and related studies;
- 2) Advise the city council in establishing criteria for development of land;
- 3) Approve or disapprove all subdivision and development plats within the city and its extraterritorial jurisdiction (ETJ);
- 4) Assist the city council in conducting public hearings as may be required to gather information necessary for the drafting, establishment and maintenance of the comprehensive plan and ordinances and regulations related to it;

5) Recommend policies to the city council for guiding action affecting development in the city and its environs; and

6) Perform other duties that may be specifically assigned to it by the city council that may have a bearing on the preparation or accomplishment of the comprehensive plan.

7) Serve on the Capital Improvements Advisory Committee.

The City Council invites interested Jersey Village citizens who wish to serve on the Planning and Zoning Commission to complete an application. The Council will review applications received at its January Council meeting, and appoint applicants in compliance with the terms of the Charter. Interested citizens are encouraged to complete an application and submit it to the City Secretary as soon as possible.

To view an online application, visit the City of Jersey Village's website or contact Lorri Coody, the City Secretary at 713-466-2102. ★

## Parks & Recreation Recap from December

### Holiday in the Village

Jersey Village Parks and Recreation hosted its annual Holiday in the Village event on December 2nd. The event hosted over 50 vendors including: nonprofits, health organizations, Jersey Village Farmer's Market, the Children's Business Fair, and food trucks. The event also played host to snow fights, snow angels, and a special appearance from Mr. Claus himself! Event officials estimated nearly 1,000 people throughout the event – an historically high number. A huge thank you to the JV Recreation and Events Committee for organizing and overseeing the event; their hard-work and insight is always invaluable to the Parks and Recreation Department.

## Jersey Village Farmer's Market

Join Jersey Village Parks & Recreation for fresh produce, food, and artisan merchandise.

You are guaranteed to have a great time!

- First Sunday of every month
- Jersey Village Civic Center, 12:00-3:00pm

Contact [jrodrigue@ci.jersey-village.tx.us](mailto:jrodrigue@ci.jersey-village.tx.us) for more information.

### Holiday Decorating Contest

The Parks and Recreation Department also sponsored the 2018 Holiday Decorating Contest. At the time of this Jersey Village Star's production, winners for the 2018 Contest had not been chosen. Winners will be added to the February version of the Star. ★

## New Year Crime Prevention Tune Up 2019

A new year provides a great opportunity to refresh and review your home security needs. Camera systems and alarm systems have become very reasonable in cost over the past few years. Many alarm systems can be self-installed and are completely wireless in operation. They are simple to install by just plugging them in an open outlet and installing some magnetic contacts on doors and windows. There are also numerous brands

of home security cameras that have very good resolution that are also plug and play. Check your outdoor lighting and make sure you have working fixtures and adequate lighting in your common outdoor areas. Be sure to use porch and driveway lighting at night. Trim the bushes around your home to allow visibility for police officers to clearly see the windows in front of your home.

Keep garage doors, yard gates, and side doors all closed and locked when not in use. Make a nightly check of your home before bed. Make sure valuables are removed from your vehicles and the doors and windows are locked on each vehicle. Make sure the garage door is shut and that your outdoor lighting is turned on. It would also be a good time to check the operation of all your door and window locks. If they are not operating correctly, they should be fixed. Crime prevention tune ups are very worthy and give you a great piece of mind. Spend some this year making improvements to your home security, it is worth it. ★

### Tip of the Month by Matt Jones

Practice golf at home.... Even with the normal Houston Winter months you can still find a way to practice and make it beneficial. Take a long club like a driver or 3 wood and get your normal golf address position and hold the club about 1 foot off the ground. Take regular swings; back swings and forward swings hitting an imaginary ball at 1 foot off the ground. If you did 50 of these every day, you will improve. Also, do 10 or 20 of them with your eyes closed. This will tremendously help your balance during the swing. These swings will transition to the swing when you are on the range. Don't let the Houston wet and cold days get your game down - swing at home!

### Happy New Year to all from Jersey Meadow Golf Course.

Here are some good "golfer" New Year's Resolutions:

## **JERSEY VILLAGE COMMUNITY NEWS**

*Organizations submitting articles below for publication are not endorsed or sponsored by the City of Jersey Village.*

**Jersey Village Senior Outreach (JVSO)** is celebrating a successful first year with helping JV's residents 55 years of age and older "stay active and connected" with the community. A kickoff celebration dinner will be held in January for 2019 members. If you are interested in learning more about JVSO's programs, calendar of events, and membership opportunities, visit [www.jvso.org](http://www.jvso.org) and "Like" us on Facebook.

**The Jersey Village Women's Group** will have their first meeting of 2019, on January 22, at 7:00 PM at the Civic Center. All women who reside in Jersey Village are invited to join us for the fun. Bring a friend, meet your neighbors, and be prepared to laugh and smile. For more information go to our web site at [www.JVWG.org](http://www.JVWG.org).

**Safe Zone**

The Jersey Village Police Department is pleased to offer a Safe Zone. This Safe Zone is located behind the Police Department and is clearly marked.

This Safe Zone is designed to be used by people conducting e-commerce and child custody exchanges. This area is under complete video surveillance and is very well lit.

This area can be utilized anytime you make a purchase/sale on an online forum or sales site and do not want the other party to come

to your home. Conversely, it can assist you if you do not wish to go to their home to complete the transaction.

Child custody exchanges are often completed at the Police Department by court order. We willingly make this space available to those persons conducting these exchanges as well.

While we cannot guarantee a safe transaction, this area should reduce the probability of something happening. ★

## City of Jersey Village Warrant Resolution Program

The City of Jersey Village Municipal Courts Department and Jersey Village Police Department announce their participation in the 2019 Warrant Round-Up. The campaign will begin Saturday, March 9, 2019.

In preparation of the Warrant Round-Up period, the Jersey Village Municipal Court will be offering an amnesty period that begins February 23, 2019 and ends March 8, 2019. Anyone wishing to resolve their court matters during the amnesty period will need to contact the Jersey Village Municipal Court.

Why are you doing this? To close cases for which all other means of resolution have been unsuccessful.

What are my options if I find out I do have warrants?

You may pay the fine and court costs, or post a bond and have your case(s) reset for a new court date. You may also seek legal advice from an attorney. You may come in and speak with court staff about a payment plan application.

If I come to court to pay, will I be arrested? No, defendants are encouraged to come in voluntarily to resolve cases during the Warrant Round-Up.

Will there be an amnesty offered to reduce the cost of any of the fines or fees? Yes, the Failure to Appear Warrant can be dismissed after the underline violations have been resolved.

If I want to pay for my warrants, what are my payment options? Payment options for warrants issued by the City of Jersey Village Court are as follows:

☑ ONLINE - [municipalonlinepayments.com/jerseyvillage](http://municipalonlinepayments.com/jerseyvillage)

☑ BY PHONE - Call 1-800-444-1187 (payment line)

☑ BY MAIL - Municipal Courts Dept., 16327 Lakeview Dr. Jersey Village, TX. 77040

☑ IN PERSON -

What forms of payment do you accept? We accept cash, money orders, American Express, Discover, MasterCard and Visa.

After I pay, how long will it take for the information to be removed from DPS records? The Department of Public Safety will clear holds on driver's licenses within 7 to 10 business days. ★

## JV Long Term Flood Recovery Plan Cost Benefit Analysis

The Long Term Flood Recovery Plan evaluated several possible projects. Each one of the projects was measured by how it reduced flooding and the benefit-cost ratio of the project. A benefit-cost ratio (BCR) is an indicator, used in cost-benefit analysis, that attempts to summarize the overall value for money of a project. A BCR is the ratio of the benefits of a project, expressed in monetary terms, relative to its costs, also expressed in monetary terms.

If the cost of a project outweighs the benefits of a project, the project has a BCR of less than 1. If the benefits of a project are higher than the cost of the project, the project has a BCR of greater than 1. A score of 1 means the project simply breaks even.

Using the Long Term Flood Recovery Plan the city has been able to apply for six different grants, as of December 2018. The City has been successful in two of those grants so far, and the other four have been submitted. The city has been awarded \$3,878,745 in grant funds. The cost of the Long Term Flood Recovery Plan was \$620,917. Applying the same benefit-cost ratio to the Long Term Flood Recovery Plan shows a BCR of 6.25. This shows the benefits that were received from conducting the Long Term Flood Recovery Plan outweigh the costs by a factor of more than 6.

Having the Long Term Flood Recovery Plan completed gave us the data that is required to make successful grant applications. The timing of the completion of the study put us in a much better position to make early and compelling applications which is what led to the awarding of these grant funds. Without having the data from the Long Term Flood Recovery Plan the grant applications would not have been as complete or as comprehensive, which means we most likely would not have received funding without the data.

Utilizing the data from the Long Term Flood Recovery Plan the city will continue to apply for grants as they come available. Implementation of the Long Term Flood Recovery Plan is a high priority for the city. ★

We all want to know the rules while playing golf and there is no more important time to know the rules than NOW! The USGA and R&A worked on many new rules or changes that have been implemented at the start of 2019. I'm not going to list them all here, but go online and read and learn what's new. Almost all of the changes are to help with speed of play and to make golf more fun. We are also adopting two of the USGA recommendations for local rules effective immediately.

- 1) All the "penalty areas" (formally called hazards) will be marked red on the entire Jersey Meadow Golf Course.
- 2) The alternative to stroke and distance rules for lost ball or an out of bounds ball.

Also, all other new rule changes are in effect. Please read the new changes ASAP. Happy Golfing and Faster Play!

**Get Flood Insurance Today**

Your homeowner's insurance policy does not cover you for floods. However, because Jersey Village participates in the National Flood Insurance Program (NFIP), you can purchase a separate flood insurance policy. This insurance is backed by the Federal government and is available to everyone, even properties that have been flooded. Getting a flood insurance policy will help to pay for repairs after a flood, and in some cases it may help to pay for the costs of elevating a substantially damaged building. If your property is not mapped in a Special Flood Hazard area, you may qualify for a lower-cost Preferred Risk Policy. Some people have

purchased flood insurance because it was required by the bank when they get a mortgage or home improvement loan. Usually these policies just cover the building structure and not the contents. Be sure you have contents coverage. Don't wait for the next flood to buy flood insurance protection. In most cases, there is a 30-day waiting period before National Flood Insurance program coverage takes effect, so be proactive and get your flood insurance today! For more information on flood insurance, talk with your homeowners or renters insurance agent or visit [www.floodsmart.gov](http://www.floodsmart.gov). ★

## 2019 Code Violations

The City's Code Enforcement Division works to gain compliance with codes enacted by City Council to protect the health, safety and welfare of all Jersey Village residents. Now that another year has come and gone, I would like to take some time to highlight what were, unfortunately, three of the most violated ordinances of 2018. These were, in no particular order, trash and yard waste placed at the curb too early for collection, parking/storage of all types of utility trailers and contractors performing work without the pertinent permits.

1. Trash and yard waste must not be placed at the curb, or for that matter be visible from the road, before 5pm the night before trash is scheduled for collection and all emptied containers must be removed out of public view by 7am the morning after the day of collection.

2. A utility trailer is considered to be "parked" when left on a driveway unattended and not in the act of being loaded or unloaded. A utility trailer is considered to be "stored" when it is left on a driveway, and not in a garage out of public view, overnight.

3. Permits are required for various types of work in and around your homes, please keep in mind these permits are required in order to allow for inspection at various

stages of the project or upon completion to confirm that basic Building Code standards are being adhered to, ultimately, for your safety and to protect you as the homeowner.

Generally when a resident is made aware of the ordinance violation they do abate it in a timely manner, which is appreciated. Unfortunately there are still some instances when the violation in question continues to go unabated and it is at this point, after exhausting all other options, a complaint will be filed in Municipal Court and/or a citation has to be issued. A very high percentage of all city ordinance violations are abated when notice is given and it is generally the exception rather than the rule to have to file a complaint for non-compliance.

As we head into 2019 help us keep Jersey Village safe and beautiful by becoming familiar with the city code requirements and by reporting any perceived violations. If you are in any doubt as to whether a permit may be required for work that is to be performed then please take a few minutes to call the city for clarification before it commences. In closing I would just like to take the time to thank all the residents who help to maintain our community on a daily basis.

## Recycling Tips

WCA collects recyclable materials for Jersey Village every Wednesday. Please follow these tips for a successful recycling program:

- Carts should be placed at the curb with the arrows on the lid facing the street. This ensures that the automated truck can easily access and empty the recycling cart.
- Please recycle only the acceptable materials. All recyclable materials may be mixed together inside the cart.
- Protect recyclables from inclement weather by keeping the lid closed.
- **Only materials in the cart will be collected.** Ensure that you flatten and cut cardboard so that it fits loosely in the cart.
- Items placed outside of your cart will not be collected. Maximize space in your cart by crushing plastic bottles and aluminum cans, and cutting boxes down.

- Ensure that all your cans and bottles are empty before recycling them to avoid contamination of other materials.
- If you shred paper, please place it in a recyclable bag so as to NOT allow the wind to blow pieces in the neighborhood during the emptying cycle.
- **Recycling carts provided by WCA are for recyclables only; not regular trash. Regular trash should be placed at the curb on Tuesdays and Fridays only. Trash put in recycling carts will not be collected. ★**

\*\*Remember: Place your recycle cart out by 7 a.m. on Wednesdays, but no earlier than 5 p.m. the Tuesday evening before. Return your cart to your property by the end of the day, after your collection has occurred. If for any reason your neighborhood was missed, please contact city hall and leave you can out. If they have mechanical issues, they (WCA) send another vehicle same day or the next morning\*\*

## Thank You to CenterPoint Energy for the Trees!

In the first week of February, CenterPoint Energy donated a hundred small Live Oak, Red Oak, White Oak, and Bur Oak trees to the Jersey Village Parks and Recreation Department. In an effort to keep Jersey Village beautiful, the Parks and Recreation Department will keep these trees in a nursery in the city to later plant throughout Jersey Village, start beautification projects, and neighborwood programs. Thank you to CenterPoint Energy in aiding the efforts to make JV great. ★

## Noisy Animals & Birds

Jersey Village residents please note that it is a violation of our city ordinance to allow a dog to bark continuously, or any other animal, to make noise for an extended period of time if that noise might disturb another resident who has to listen to it.

Sec. 10-3. - Noisy animals and birds.

The keeping of any animal or bird which, by causing frequent or long-continued noise, shall disturb the comfort or repose of any persons in the vicinity is hereby prohibited. ★

### Tip of the Month by Matt Jones

Where are you “pointing”? Yes, alignment in the golf swing is very very important, but when you are playing on the course so is pointing correctly. Many of the tee boxes are shaped and built and/or mowed in a pattern that points you wrong for that hole. Never let your eyes get adjusted to that mow line of the tee. Find your own target in the fairway (or green for par 3's) and set your golf swing alignment to that and that only. Don't get yourself pointing the wrong way and hit a great shot only to find your ball in the rough, trees or water! Happy Golfing.

## Spring Break Crime Prevention Tips

With spring quickly approaching, we can't wait to travel somewhere for a nice spring break. Here are a few tips for home security during spring break travels.

**1. Don't advertise you are leaving town:** Social media is a great way to share excitement with friends, but wait till after the trip to tell where you've been. Don't broadcast to the criminal element that you and your family will be away for a week. If you have children in college, remind them not to blog about your family plans to be gone.

**2. Create an illusion of occupancy:** While away, arrange for a trusted neighbor to pick up mail, newspapers, and door hangers. These are often signs of an absent homeowner.

**3. Lights, too:** Put lights on timers now so there can be an established look of occupancy along a normal schedule.

**4. Garage and windows:** Keep your car locked and the windows shut even if it is parked in the garage, and take your keys with you. If your house is broken into, there is no need to provide the thief with a car. You also force them to carry items out of a front or back door since your car is parked in the garage blocking the easy exit. Many people un-plug their garage door opener and lock the garage door while they are out of town (Just don't forget to unlock it and plug it in when you get home).

**5. Alarms:** Make sure a trusted neighbor has a house key and a way to shut off your alarm. If there are storms or electrical issues your alarm could go off several times a day while you are gone. Returning home to find out you are being billed for several false alarms would spoil the end of a relaxing vacation.

**6. In case of emergency:** Make sure a neighbor or relative has your cell number or a way to get in contact with you in case of any home emergency.

**7. Utilities:** It's always a good idea to turn back the temperature of your water heater, shut off the water to your washing machine (washing machine hose breaks are at the top of the list when it comes to home damage costs). Also having someone check your house daily will give you peace of mind knowing your home is secure.

**8. Don't forget about your pet:** If you have pets (especially a dog), a pet sitter can be a valuable asset for crime prevention. The irregular schedule of a person coming and going from the residence, and the sound of a barking dog can be a big deterrent to suspicious people.

**9. Don't forget to put your house on the JVPD house watch list (available online or by calling dispatch 713-466-5824). [jerseyvillagepd.org](http://jerseyvillagepd.org)**

## Safety Camera FAQ's

### Why have we installed these cameras:

These cameras were installed to act as a force multiplier by providing an additional set of eyes throughout the community. Much like the many hundreds of home security cameras, these are always on and they always read plates. We are using these cameras to relate vehicles to specific crimes in our community. This greatly enhances our ability to prosecute offenders who commit crime in our jurisdiction.

### What data does the camera capture?

These only capture the reading of the plate itself (including temporary and paper plates) along with a series of several pictures. These are not video cameras and they don't contain any speed measuring equipment. They are not designed or used for any traffic related issues, which is not allowed under Texas law anyway.

### What does the city do with the data:

We do not keep the data and the data is not sold. The data is kept in an off-site, CJIS-approved location and it is automatically deleted after 30 days. The only use for this data

is to prevent crime and prosecute those who commit crimes. There are no analytics involved with system. It merely captures the picture of the vehicle and the plate. We search the database by using the date and time, or if known, the make and model of a suspect vehicle.

### How many cameras are we installing?

We are installing 48 cameras throughout the city.

### Where did the funding come from for this project:

The funds came from the Crime Control and Prevention District through the ½ cent sales tax captured specifically for crime prevention enhancements.

### What have our results been so far:

Even with the system not completely installed, we have recovered one stolen car, cleared a case of a burglary of a motor vehicle, and we have solid suspect information on a robbery. Clearly, it has been a welcome addition to our arsenal of tools to combat crime in our community. ★

## City Seeking to Fill Council Vacancy

Council Member Andrew Mitcham, currently serving in Place 1 on the City Council, has submitted his application for a place on the May 4, 2019 ballot as Mayor. Given that no other applicants have submitted an application for place on ballot for the position of Mayor, Council Member Mitcham is running unopposed. Accordingly, once he takes the oath of office as Mayor on May 13, 2019, he will automatically resign his position as Council Member Place 1, creating a vacancy on City Council.

City Council is now seeking applications to fill the vacant Place 1 on the City Council for the unexpired term that will end in May 2020. Qualifications required to hold office may be reviewed at Section 2.02 of the City Charter. The City Charter may be accessed online through the Jersey Village web site ([www.jerseyvillagetx.com](http://www.jerseyvillagetx.com)). Prospective candidates for appointment should complete the Application for City Boards, Commissions, and Committees that is available under the City Secretary page of the Jersey Village web site. Please write "City Council" under the Comments Section of the application. Completed forms should be delivered to the City Secretary at City Hall, or e-mailed to the office of the city secretary ([lcoody@ci.jersey-village.tx.us](mailto:lcoody@ci.jersey-village.tx.us)) no later than 12:00 PM, May 1, 2019. Incomplete applications and applications received after this deadline will not be forwarded to city council. City Council has requested that prospective candidates be prepared to deliver a three to five minute presentation at a Special City Council Meeting to be held on May 6, 2019 at 6:00 p.m. Candidates should be prepared to present their qualifications for office, in addition to providing an explanation of why they desire to hold office. ★

## Tip of the Month by Matt Jones

Watch out for the wind! Yes, Spring is finally here and with that comes some windy days. Don't be fooled! If the wind is in your face at 5 to 10 mph, that is one more club! If it is 10 to 20 mph, that is 2 or 3 more clubs. It is much better for amateur players to take way too much club into the wind and swing easy. Do not swing hard into the wind - it's a killer and if you do hit it solid the ball will go too high and not get the distance needed. Happy Spring Golf!

**End of School Year Safety Tips**

School is almost out and it seems that about every student is eager to head out for their summer break. At this time of the year, the Jersey Village Police Department encourages drivers and parents to keep an extra eye out for pedestrians. Drivers should be mindful of speed limit signs, crossing guards, and school zones in the areas of Post Elementary and Jersey Village High School. Children may be preoccupied or just excited about the end of the school year, which may cause them not to be aware of vehicular traffic. Pay attention to school buses

with the flashing lights indicating they are loading and/or unloading children.

Parents, on the other hand, should remind their children to always walk and not run across the street, even at a crosswalk. Children should also cross the street at an intersection with crossing guard when available. With a few reminders and careful attention, our Jersey Village community and students can enjoy a safe and happy end of school year! ★

## Storage of Recreational Vehicles in Jersey Village

On July 1, 2009, The City of Jersey Village implemented Ordinance 2009-22 concerning the storage of recreational vehicles within the City limits. The specific language of this Ordinance is as follows: Section 14-88 (6)(a) - Recreational vehicles (manufactured or home-made) including, but not limited to, motor homes, mini-motor homes, travel trailers, 5th wheel trailers, camping trailers, boat trailers, other trailers used for recreational purposes only, truck campers, all-terrain vehicles and all types of watercraft including boats (motorized or propelled by any other means) shall not be parked or stored in front or side yards in zoning districts A, C, C-2, or D except for temporary periods of time not exceeding seven days within a 30-day period. A recreational vehicle shall not be parked or stored in a rear yard in zoning districts A, C, C-2, or D unless such vehicle

is screened from public view by a solid wood or opaque fence. Nothing in this ordinance is intended to preclude the construction of a properly permitted building that will enclose and screen recreational vehicles.

Ordinance 2009-22 did provide a ten (10) year "grandfather clause" for recreational vehicles or watercraft greater than eight feet in height provided that owners had the vehicles lawfully parked or stored on their lots on May 1, 2009 and had registered the vehicle in the City's Recreational Vehicle Registration Program. The ten (10) year Recreational Vehicle Registration Program ends June 30, 2019 and is closed to new registrants. Current registrants in this program must secure storage arrangements for their "grandfathered" vehicles effective July 1, 2019 or become subject to Ordinance violations. ★

## It's Parks and Recreation Season!

When spring hits, and the weather is nice, it's time to get outdoors! Jersey Village Parks and Recreation is doing its best to get everyone active and having fun in the community this spring.

### Spring Fling Outdoor Festival

Back in March, the first Spring Fling Outdoor Festival was hosted to promote healthy and active living outdoors and in the parks. Held at Clark Henry Park, there were over 700 attendees enjoying bounce houses, rock walls, exercise classes, lots of great food and music, as well as activities from over 20 vendors. Thanks again to our sponsors: the Daisy Dash and Night Light Pediatric Urgent Care. ★

## Egg Hunt 2019

And this, the annual egg hunt made its return, but at Clark Henry Park. Over 1,500 people enjoyed snow cones, cookie decorating, pictures with the Easter Bunny, and lots and lots of EGGS! This is truly becoming a staple in the community and will continue to improve in the future.

Thank you to everyone who came out to the spring Parks and Recreation events. Keep an eye out for more events this spring and summer! ★

## Fraud Prevention Tips

According to recent studies, there were over 16.7 million victims of identity theft in 2018, and it is one of the most prevalent types of crime, which we investigate at the Jersey Village Police Department. Some of the crimes that we see most frequently include Identity Theft, Credit Card fraud, and wire transfer scams. Identity theft occurs when someone uses your personal information to open accounts, or make purchases without your permission. Credit Card fraud occurs when someone makes unauthorized purchases with your credit/debit card without your permission. Wire transfer scams vary widely, but the most recent cases involve sending you a check to deposit, with the request that you send the person back a portion of the cash (of course the check is fraudulent). Here are some tips to help minimize the chance of you becoming a victim:

1. Don't believe your Caller ID- fraudsters often cloak their real phone number, and can even make the Caller ID look like a legitimate business or government entity (like the City of Jersey Village Water Department, telling you that you have an overdue water bill, and that you must pay with a credit card over the phone).
2. Don't pay upfront for a promise- whether someone tells you that they can help with your debt, or that you have won a prize, never pay anything upfront. Never deposit a check and wire a portion back to anyone!
3. Guard your personal information- be careful when making purchases over the phone or online. Your social security number should never be needed unless you are applying for credit.
4. Stay Safe Online- don't send sensitive information such as credit card numbers by email, and look to make sure that the website is secured or encrypted (the site will usually have a small padlock by the url address and/or the address will start with "https" rather than "http"). Be cautious about unsolicited emails (and consider deleting them), which are often fraudulent.
5. Check your bank statements weekly- by checking your bank statements frequently, you can see any unauthorized transactions and report them to your bank. Federal law limits your liability to \$50 for unauthorized transactions, but most banks do not charge this if you notify them promptly.
6. Check your credit report quarterly- The Fair Credit Reporting Act requires each of the three credit reporting companies (Equifax, Experian, and TransUnion) to provide a free copy of your credit card annually. Consider using a free service such as <https://www.freecreditreport.com/>. Checking your credit report frequently can help you identify unauthorized accounts and loans obtained by a fraudster.

As always, Contact the Jersey Village Police Department at 713-466-5824 if you have any questions concerning the legitimacy of an offer, or any other fraud concern. ★

### Tip of the Month by Matt Jones

Tiger Won!!! One of the biggest reasons is that he always has worked out. He was a workout pioneer on the PGA Tour. If you want to play better golf "automatically," exercise and stretch every day. Walking or jogging helps strengthen your lower body. Arm and shoulder exercises are great for upper body strength. Google golf exercises or give me a call and let me share some of my golf exercises. Just do it -- play better golf!

**Citizen Involvement Welcome!**

City government depends on residents who volunteer their time and expertise to participate in public service as members of boards and commissions. Boards and commissions fulfill an important role by evaluating issues which affect our community and making recommendations to the Council for needed action. Although most boards and commissions are advisory in nature, a few are decision-making entities. The value of these bodies is a direct reflection of the interest and dedication of our citizens in making Jersey Village a better place to live. City Council encourages you to apply for appointment to any board or commission in which you may be interested.

Council will consider appointments to the Crime Control and Prevention District Board, the Recreation and Events Board, and the Tax Increment Reinvestment Board at its Regular June Council Meeting. If you are interested, please complete an application. If you currently have an application on file, please contact the City Secretary to confirm your interest in serving with the City. Only new or confirmed applications will be considered. To view an online application, visit the City of Jersey Village's website at <http://www.ci.jersey-village.tx.us/page/citysec.home> or contact Lorri Coody, the City Secretary at 713-466-2102. ★

## Storage of Recreational Vehicles in Jersey Village

On July 1, 2009, The City of Jersey Village implemented Ordinance 2009-22 concerning the storage of recreational vehicles within the City limits. The specific language of this Ordinance is as follows: Section 14-88 (6)(a) - Recreational vehicles (manufactured or home-made) including, but not limited to, motor homes, mini-motor homes, travel trailers, 5th wheel trailers, camping trailers, boat trailers, other trailers used for recreational purposes only, truck campers, all-terrain vehicles and all types of watercraft including boats (motorized or propelled by any other means) shall not be parked or stored in front or side yards in zoning districts A, C, C-2, or D except for temporary periods of time not exceeding seven days within a 30-day period. A recreational vehicle shall not be parked or stored in a rear yard in zoning districts A, C, C-2, or D unless such vehicle

is screened from public view by a solid wood or opaque fence. Nothing in this ordinance is intended to preclude the construction of a properly permitted building that will enclose and screen recreational vehicles.

Ordinance 2009-22 did provide a ten (10) year "grandfather clause" for recreational vehicles or watercraft greater than eight feet in height provided that owners had the vehicles lawfully parked or stored on their lots on May 1, 2009 and had registered the vehicle in the City's Recreational Vehicle Registration Program. The ten (10) year Recreational Vehicle Registration Program ends June 30, 2019 and is closed to new registrants. Current registrants in this program must secure storage arrangements for their "grandfathered" vehicles effective July 1, 2019 or become subject to Ordinance violations. ★

## City of JV –Your City Council

The following candidates were elected to the City Council at the May 04, 2019 **General Municipal Election**:

Mayor- Andrew Mitcham

Councilmember - Place 2 Greg Holden

Councilmember - Place 3 Bobby Warren

With the taking of his Oath of Office on May 13, 2019 as Mayor, Andrew Mitcham automatically resigned his position as Council Member Place 1, leaving this position vacant. In accordance with the terms and condition of our City Charter, City Council has appointed Drew Wasson as Council Member, Place 1 for the unexpired term ending in May 2020.

The newly elected Councilmembers have taken their oath of office and were issued certificates of election in accordance with state election laws. The current City of Jersey Village City Council is comprised of the following members:

Mayor, Andrew Mitcham; Councilmember – Place 1, Drew Wasson; Councilmember – Place 2, Greg Holden; Councilmember – Place 3, Bobby Warren; Councilmember – Place 4, James Singleton; and Councilmember – Place 5, Gary Wubbenhorst.

Appreciation is extended to out-going Mayor Justin Ray with 7 years of service.

#### City of Jersey Village - Su Consejo Municipal

Los siguientes candidatos fueron elegidos para el Consejo Municipal el 4 de mayo de 2019 en las elecciones general de la municipalidad:

Alcalde- Andrew Mitcham

Concejal - Lugar 2 Greg Holden

Concejal - Lugar 3 Bobby Warren

Con el juramento y la toma del cargo el 13 de mayo de 2019 como alcalde, Andrew Mitcham automáticamente renunció a su posición como concejal para el lugar 1, dejando esta posición vacante. De acuerdo a los términos y condiciones de la constitución de nuestra ciudad, los miembros del consejo han nombrado a Drew Wasson como concejal para el lugar 1 por el periodo restante que termina en mayo de 2020.

Los concejales electos han juramentado a su cargo y se le emitieron certificados de elección conforme a las leyes electorales del estado. Los actuales miembros del consejo de Jersey Village están compuestos por los siguientes miembros:

Alcalde, Andrew Mitcham; Concejal – Lugar 1, Drew Wasson; Concejal – Lugar 2, Greg Holden; Concejal – Lugar 3, Bobby Warren; Concejal – Lugar 4, James Singleton; and Concejal – Lugar 5, Gary Wubbenhorst.

Le extendemos nuestro agradecimiento al saliente alcalde Justin Ray después de 7 años de servicio. ★

### Tip of the Month by Matt Jones

Know where you are going!!! Yes, many residents have been playing Jersey Meadow for many years. Some back when it was a course for Cameron Iron Works. Therefore, some could go around the course routing blindfolded, right? NO WRONG.... Effective May 10th, the new course configuration was put into place. The "old" #17 and #18 are now #8 & #9 AND the "old" #8 and #9 are now #17 & #18. It flows much better out on the course where #7, #16, #17, #8 all intersect. But the real reason for the change is the NEW clubhouse and convention center will be sitting and looking right at hole #9 (the new #18). Therefore we want that view to be our "finishing hole"... So pay attention next time you are out, "know where you are going." Happy Golfing, Matt

## Vacation/Travel Safety Tips

Summer is the peak time for many people to go on vacation, and thieves know this as well. Before leaving on vacation you should make sure that all of your doors and windows are locked. Make sure to also check all entry points to your garage and second story windows. If your vacation is going to be for several days, it is encouraged to stop the delivery of mail so that your home won't appear to be alone and let your neighbors know you are going to be on vacation. Make your home look like someone is there by leaving a light on inside your home on a timer to go on and off at specific times. Let a neighbor use your drive-way while you are gone so that it always appears that someone is at home. Remember that you should add your residence with the Jersey Village Police Department's House Watch program to have officers drive to your residence and check for any suspicious activity or damages. This can be done online through the JVPD website: Jerseyvillagepd.org or by calling Police Dispatch at 713-466-5824. When vacationing, try to have only a set amount of debit/credit cards that you will use to make purchases. Cash should be carried in small amounts on your person so that you do not display large amounts of cash when paying. You should always travel with two forms of legal identification in case you lose one or that ID gets stolen, preferably a passport. NEVER carry your Social Security Card as it is not a form of legal identification. Most importantly, stay off of your electronic devices and pay attention to your surroundings when in large groups of people.

You can never be too careful, therefore, the Jersey Village Police Department wants to make sure that your home is safe and that you are safe while travelling. ★

## Summer Travel Crime Prevention Tips

- Pack the fewest amount of clothes possible-reduce clutter
- Carry only the credit cards needed for the trip and small amounts of cash
- Make sure your home is secure and sign up for house watches. Always let a trusted neighbor know your travel plans and how to get ahold of you while you are away.
- Always keep your room key on your person. Don't leave it laying out on a pool deck, bar, or other common area. It is an easy item pick up.
- Always lock your car door when leaving it, even if just for a few minutes. Rest areas and gas stations are prime areas for theft.
- Be aware of your surroundings and listen to your instincts. If something feels wrong, go somewhere else.
- Let a friend or family member know your travel plans and expected routes if possible.
- Try and keep your cell phone charged and ready to use.
- If driving, please keep your eyes on the road and don't text and drive. ★

### It's finally here!!!

The new practice putting green, short game practice area and the new enlarged and levelled practice tee IS OPEN!!! Come check it out.

It is truly as good a practice area anywhere around. Brand new range balls too! Remember the surest way to lower your score is putting. The 2nd surest way to lower your score is chipping and pitching 40 yards and in. We all want to bang range balls, but if you will DOUBLE your practice time on the green and chipping – you will be better!!

Happy Golfing (Practicing),  
Matt

## **City Offices Closed for July 4th Holiday**

City offices will be closed on Thursday, July 4, 2019 in observance of the July 4th Holiday. Police Department, Fire Department and Emergency Medical Service personnel will be on duty for emergencies and other City personnel in other departments will be on-call, if required. City offices will re-open for business at the regular time on Friday, July 5th.

**City Accepts Parking Permit Applications Beginning August 1, 2019**

The Cy-Fair ISD 2019-20 school year begins August 26, 2019. The City will begin accepting applications on August 1, 2019 for parking permits that allow certain residents to park on certain city streets within the school zones during the 2019-20 school year.

In 1999 City Council passed an ordinance providing exceptions in the no parking/tow-away zones on your street. The ordinance established a permit system, which, upon application, issues two parking permits. A person may park a motor vehicle, which displays the issued permit, on the street in front of the address on the permit.

The parking permit is issued annually upon application at no charge; however, replacement permits are \$25.00 each.

If you are interested in applying for a parking permit, please complete the Application for Parking Permit found on our website at <http://www.ci.jersey-village.tx.us/page/city.forms> and submit it to the City of Jersey Village, Attn: Parking Permits, by mail or in person at 16327 Lakeview Drive, Jersey Village, Texas 77040 beginning August 1, 2019. ★

## Teaching Youth Cyberethics

At the Jersey Village Police Department we make it a priority to keep all children safe. From toddlers to teens, our kids should be able to grow up in a healthy environment free from predators. One of those environments that is especially prevalent in our society is the internet. Just as protecting youth from dangers on the Internet is important, so is protecting the Internet from young people who might abuse it. As parents, caregivers, teachers, and adults, you work to teach youth Internet safety by telling them to keep their personal information safe and avoid predators, but it's just as important to teach youth cyberethics.

Teaching teens about the ethical treatment of others on the web and of websites and intellectual property (such as music, videos, and written materials) in cyberspace can help prevent cybercrime. While youth who commit cybercrimes may realize that their actions are wrong, they may not know that their Internet behaviors are illegal.

### Cybercrime is categorized in the following three ways:

- The computer as a target (using a computer to attack other computers)

- The computer as a weapon (using a computer to commit a crime)
  - The computer as an accessory (using a computer to store illegal files or information)
- These categories include crimes such as launching viruses, storing illegal files (such as child pornography), committing fraud, infringing copyrights, and pirating software, among others. Many youth commit cybercrime by
- Downloading and sharing copyrighted video and music files
  - Harassing others via chat bots (computer programs designed to imitate human conversation)
  - Hacking into school computer networks to deface websites, enter sites that the school forbids, or change grades

The best way to prevent youth from committing cybercrimes is to educate them about ethical and legal rules of the Internet, and the emotional and financial costs of cybercrimes to victims. Moreover, cybercrimes carry real consequences. Teach youth that their actions in cyberspace are not anonymous, and that real people are affected by their crimes.

## The 4th Parade was Rockin'!

The July 4th 2019 Parade is in the books! What a way to celebrate America's Independence. Thank you from the Parks and Recreation Department to everyone who lined Jersey Dr. to watch the parade! Thank you to the Recreation and Events Committee for their continued support and guidance. And another BIG thank you to those that participated, including our City Council, Fire Department, and Police Department.

The Parade saw hundreds and hundreds of Jersey Village faithful lined up viewing the parade procession; it was truly a great site. The procession travelled from the Fire Department down Jersey Dr. passed Carol Fox Park all the way to Clark Henry Park. The procession had 25 participating groups and families. All-in-all the parade was great fun!

Over 250 people joined together for the fun after the parade, where there were food trucks, bounce houses, a DJ, and games at Clark Henry Park, as well as free Ice Cream in Clark Henry Pool. Thank you to all who came out and enjoyed the fun! See photos below for some of the best parade entries!

## Back to School Safety Tips

### Safety Tips for Drivers

- Drivers should be aware of children walking to school or to the bus stop. Everyone can follow a few safety tips to help kids get to school safely.
- When backing out of the driveway, watch for children walking to school or to a bus stop.
- On streets without crossing guards, watch out for children trying to cross the street.
- Be careful on streets without sidewalks or streets with on-street parking. It might be hard to notice a child behind a car.
- Be alert. Children may dart into the street without looking.
- Slow down.

### Walking Safety

- Children should only walk to school alone if they are old enough and ready to make the walk safely.
- Children are not ready to walk to school without an adult until they are at least 10 years old.
- Younger kids cannot be trusted to make smart traffic choices on their own.
- Plan and practice a safe walking route with your child until she knows it well.

- Use streets with sidewalks, crosswalks and crossing guards. Avoid as many intersections as possible.
- Have children walk with a friend or in a group.
- Talk to your child about what to do if they are approached by a stranger

### School Bus Safety Tips

- Children riding the bus to school should learn and practice a few safety rules for getting on and off the bus.
- Get to the bus stop early. Do not run to the bus.
- Wait until the bus has come to a complete stop before walking toward it.
- If crossing the street, wait for a signal from the bus driver. Look both ways to make sure there is no moving traffic from either direction.
- Always cross in front of the bus so the driver can see you.
- If the bus has lap and shoulder belts, use them.
- Once the bus is in motion, remain in your seat.
- If the window is open, keep your arms and head inside the bus at all times.
- Do not stand up to get off the bus until it has completely stopped.
- Only get off the bus at your assigned spot

## Sign Up For real time alerts from the Flood Warning System

Harris County Flood Control District (HCFC) has enhanced the Flood Warning System website [www.harriscountyfws.org](http://www.harriscountyfws.org) to provide residents of Harris and surrounding counties the ability to sign up and receive automated water level and rainfall alerts delivered via text message, email, or both. Sign up directly at [www.FWSalerts.org](http://www.FWSalerts.org) to create your account, which allows you the ability to sign up for notifications.

The gages that that may be of most interest to Jersey Village residents are gages 550 (White Oak Bayou at Lakeview Drive) and 555 (White Oak Bayou at Jones Road). Residents can sign up for notifications for one of four categories:

**Flooding Likely:** Flooding of some structures and roads along stream near gage site.

**Flooding Possible:** Minimal or no property damage, but possibly some roadway flooding. The stream is generally near the top of its banks near the gage site. Flooding is typically over low-lying areas near the stream, roads, parks, and trails.

**Street Flooding Likely:** Street drainage is likely overwhelmed resulting in high water over roads and causing dangerous driving conditions near the gage site.

**Street Flooding Possible:** Street drainage is (possibly) not likely overwhelmed near the gage site. ★

## **Citizen Involvement Welcome!**

City government depends on residents who volunteer their time and expertise to participate in public service as members of boards and commissions. Boards and commissions fulfill an important role by evaluating issues, which affect our community, and making recommendations to the Council for needed action. Although most boards and commissions are advisory in nature, a few are decision-making entities. The value of these bodies is a direct reflection of the interest and dedication of our citizens in making Jersey Village a better place to live. City Council encourages you to apply for appointment to any board or commission in which you may be interested.

Council will consider appointments to most boards and commissions at its Regular September Council Meeting. If you are interested, please complete an application. If you currently have an application on file, please contact the City Secretary to confirm your interest in serving with the City. Only new or confirmed applications will be considered.

To view an online application, visit the City of Jersey Village's website at <http://www.ci.jersey-village.tx.us/page/citysec.home> or contact Lorri Coody, the City Secretary at 713-466-2102. ★

## **Tip of the Month**

by Matt Jones

Hit it Solid!! One of the most important things in the "big" game is solidness of contact. You can do a lot of things good in the swing, but miss the sweet spot and have an awful shot. How do we get better at solidness of contact? One good way is the short game practice area which we opened on August 2nd. Get down there and hit 100's of chips from 5 yards to 40 yards and learn to hit those shots "solid." Get good eye hand coordination and good depth perception with these shots and it will definitely help hitting the "big" shots more solid.

## Have a Spooktacular Halloween

Halloween is an exciting time of year. Kids of all ages get dressed up and get ready for some trick or treating. They might even get a visit from a nearby ghosts or goblin. So to help ensure they have a safe Halloween your JVPD would like to pass along some safety tips when it comes to trick or treating in the city.

1. Children under the age of 12 should not be alone at night without adult supervision. If kids are mature enough to be out without supervision, they should stick to familiar areas that are well lit and trick-or-treat in groups.
2. Cross the street at corners, using traffic signals and crosswalks.
3. Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors.

4. When selecting a costume, make sure it is the right size to prevent trips and falls.

5. Popular trick-or-treating hours are 5:30 p.m. to 9:30 p.m. so be especially alert for kids during those hours.

6. Wait until children are home to sort and check treats. Though tampering is rare, a responsible adult should closely examine all treats and throw away any spoiled, unwrapped or suspicious items.

Our goal is that everyone stays safe this Halloween season. If you see anything suspicious, please give us a call or flag one of us down. We will once again be out in force this year. ★

## TIP OF THE MONTH

By: Matt Jones

### Don't grip the club! Hold the club!

How tight do you hold your pen when signing your name, how tight do you hold a baseball to throw it, how tight do you hold a broom to sweep, how tight do you hold your fork to eat? Not very! We only hold these things with enough pressure to control it. **SAME WITH YOUR GOLF GRIP!** Don't squeeze the club - just hold it. I wish the instruction books for all these years said "Hold the club" not "Grip the club."

## Long Term Flood Recovery Update

As part of the Long Term Flood Recovery Plan, the city is working on the golf course berm and drainage improvement in the Wall Street neighborhood. That project is fully designed. Right now, analysis is being done on the project as designed to ensure it will provide the level of flood mitigation that was originally anticipated. When completed that data will be reviewed by FEMA.

Once FEMA reviews and approves the information the city anticipates being awarded \$3,704,150 in Hazard Mitigation Grant Program (HMGP) funds.

The City also applied for \$1,792,344 in funding as part of the Community

Development Block Grant - Disaster Recovery (CDBG-DR) program to assist with the costs of the project. On July 19, 2019, the city received the contract for those funds. The environmental work that is required as part of the CDBG-DR program is underway and should be completed in November.

Once FEMA gives final approval and the environmental work is completed the project will be placed out to bid.

## An Introductory Message from the Director of Public Works

An Introductory Message from the Director of Public Works – Our new Public Works Director has joined the City as of September. We welcome Harry O. Ward, a Professional Engineer in the State of Texas and a University of Houston alumni who comes to us from the Harris County Infrastructure Design Department.

Ward said of his initial priorities “I am currently assessing the Public Works assets for quality, safety and regulatory conformity. Some of our recently completed activity comprises: The installation of automated water meters city-wide, the Seattle water plant is now on-line following repairs, automated monitoring has been installed into 2 other plants and the Jersey Village wastewater plant has a new clarifier on-line. We are also very excited to see the new Public Works building (scheduled to open early 2020) has commenced buildout of the interior offices”.

Ward is considering several new initiatives for the future and said “I am enthusiastic about joining the City and I look forward to assisting the team dedicated to enhancing the quality of life for residents and others who call Jersey Village home.” ★

Pre-tickets go on sale for \$13 starting on November 5, at Jersey Meadows Golf Pro Shop, 8502 Rio Grande. Tickets on the day of the tour will be \$15 at the Jersey Meadows Golf Pro Shop from 5:15-7:30. More information is available at [JVWG.org](http://JVWG.org).

**Citizen Involvement Welcome!**

City government depends on residents who volunteer their time and expertise to participate in public service as members of boards and commissions. Boards and commissions fulfill an important role by evaluating issues which affect our community and making recommendations to the Council for needed action. Although most boards and commissions are advisory in nature, a few are decision-making entities. The value of these bodies is a direct reflection of the interest and dedication of our citizens in making Jersey Village a better place to live. City Council encourages you to apply for appointment to any board or commission in which you may be interested.

Council will consider appointments to the Recreation and Events Board, and the Tax Increment Reinvestment Board at its Regular December Council Meeting. If you are interested, please complete an application. If you currently have an application on file, please contact the City Secretary to confirm your interest in serving with the City. Only new or confirmed applications will be considered.

To view an online application, visit the City of Jersey Village's website at <https://www.jerseyvillagetx.com/page/citysec.home> or contact Lorri Coody, the City Secretary at 713-466-2102. ★

## Jersey Village Police Department

The Holidays are fast approaching and the Jersey Village Police Department wants to protect our citizens from being victims of package/mail theft. Since 2015 package thefts has increased over 80 percent in Harris County.

To help combat package thefts, the Texas 86th Legislative Session passed a law which makes it illegal for a person(s) to commit Mail or Package Theft- where a person intentionally appropriates another person's mail without effective consent and with the intent to deprive him of the mail or package. The level of the offense ranges from a Misdemeanor "A" and increases based upon the number of addresses who have had mail or packages stolen.

We need your help to catch these thieves, and to investigate anyone that looks suspicious by walking up your neighbor's porches, please contact our dispatch at 713-466-5824, and we will happily send an officer to investigate.

We have identified several options to help keep your packages safe from thieves. You may have the option to have your packages delivered to a location, other than your front porch, including using Amazon Hub Lockers (the nearest location to Jersey Village is 7677 Gessner Road, Houston, Texas 77040), or shipping to a UPS/FEDEX/

USPS store. Please verify that you may ship your packages to these locations, as we have found that they reduce or eliminate package theft. Also, do not forget that our department provides a safe location for face-to-face E-Commerce purchases in our parking lot. Just follow the signs and park in the designated parking areas. These are just a few ways to help prevent package theft during the holiday season. Feel free to contact our department at 713-466-5824 if you have any questions or concerns. ★

## Jersey Village Set To Join Community Rating System

As part of the commitment to flood mitigation the City of Jersey Village has been working to join the National Flood Insurance Program's (NFIP) Community Rating System (CRS). CRS is a voluntary incentive program that recognizes and encourages community floodplain management activities that exceed the minimum NFIP requirements.

As a result, flood insurance premium rates are discounted to reflect the reduced flood risk resulting from the community actions meeting the three goals of the CRS:

- Reduce flood damage to insurable property;
- Strengthen and support the insurance aspects of the NFIP; and
- Encourage a comprehensive approach to floodplain management.

Based upon the draft verification report, the City is anticipating to be a Class 7 Community. The verification report is subject to acceptance by FEMA. When that occurs the City's participation in CRS will be effective May 1, 2020.

Being a Class 7 Community means people living in the Special Flood Hazard Area (SFHA) (the 100 year or 500 year flood plain) will see a 15% discount on their flood insurance premiums. Anyone living outside of the SFHA would receive a 5% discount on their flood insurance premiums. These discounts would be reflected on policies after May 1, 2020.

Being a part of CRS also provides more points in the scoring criteria for grants, such as home elevation grants, the city applies for from FEMA.

You can learn more about CRS and the rest of the flood mitigation projects the City is undertaking on our website at [www.jerseyvillagetx.com/page/Long\\_Term\\_Flood\\_Recovery\\_Project](http://www.jerseyvillagetx.com/page/Long_Term_Flood_Recovery_Project). ★

### **TIP OF THE MONTH**

By: Matt Jones

Winter in Houston is not too long and not too cold, but for a few months it does effect the amount of play or practice we do. So if you don't play much during the holidays or winter season at least do something!!! Every day (in the warmth of home / garage) make swings. Get your normal stance and grip and hold the club 1 foot off the ground and make "real" swings - 50 per day. Swing with extreme smoothness... Swing all the way through to your finish position (all weight on left leg and stomach towards the target) and hold the finish for several seconds.... Do some of these swings with our eyes closed as this really helps with your balance. Again, don't just show up this Spring without winter practice... Swing at home. Happy Golfing! ★
