Financial Transparency Portal

Did you know that the City provides financial information to residents in an easy to explore financial transparency portal? The Open Finance portal is part of our commitment to improving transparency by providing a guided view through complex financial information. The portal streamlines several city processes, making it a more efficient and effective way to do business. It provides a transparent look at the types of revenue we collect and how we allocate those public funds. The

charts, graphs, and tables included are all highly interactive and we invite you to explore. The site is updated at the beginning of every week. Residents can view the financial transparency portal online at <https://jerseyvillagetx.finance.socrata.com/>, or by going to our website at www.jerseyvillagetx.com and clicking on Financial Transparency and clicking on Open Finance. ★

Jersey Village Police Department

Submitted by: Kirk Riggs, Police Chief

Promotions: Corporal Daniel Rodriguez was promoted to Sergeant on November 22, 2021 and Officer Walter Paz was promoted to the rank of Corporal. Santa and Mrs. Claus are pictured below congratulating them on their new leadership roles. Well done!

Commendations: On Monday, December 20, 2021, Officers Garcia, Gonzalez and Hill were presented with the departmental "Police Commendation Bar" at Decembers City Council meeting.

Incident Summary: On Thursday, September 19, 2021 at 10:28 pm, Officer's Oscar Garcia, Issiac Gonzales, and Dustin Hill, responded to

an arson fire at the Kessler Apartment Complex Apt. #2704. The responding officers arrived on scene before the Fire Department and observed heavy smoke and visible flames coming from the apartment building. Without hesitation, these officers implemented a plan to start clearing apartments. They knew there was a good chance families may be sleeping and overtaken by the heavy smoke. Without regard for their own safety all three officers began forcing doors open to apartments adjacent to the one that was on fire, searching the apartments for trapped or incapacitated family members. While searching these apartments the officers were exposed to heavy smoke, so thick they had a hard time breathing or seeing at times. In apartment #2706, Officers Hill and Garcia located a small dog, Muffin, who was in his crate and unable to escape or seek any shelter from the heavy smoke that was filling the apartment. Muffin's owner, Michael Zamara, was at work and was therefore unaware that his apartment building

was on fire and unable to rescue his dog or call anyone to assist Muffin. Officer's Hill and Garcia removed the dog from the apartment and were able to return Muffin to his owner. Without the brave and selfless act of these three officers, putting themselves at risk from the heavy smoke, Muffin certainly would have died within minutes from asphyxiation. Apartment 2706 is directly adjacent and backs up to apartment that had the heaviest smoke of the units the officers entered. Their actions exemplify what law enforcement officers do on a daily basis throughout our great nation by putting their own safety in jeopardy to protect others. Officers Garcia, Gonzales and Hill are worthy to receive the Police Commendation Bar for their outstanding performance involving great risk to their personal safety while performing their duties. ★

Happy New Year!

Keep the City of Jersey Village Clean

Used mattresses, torn couches, broken TVs, tires, and who knows what's in that drum... these are common items that are illegally dumped in the City limits. Not only are these items an eyesore, but they also affect our quality of life and become a safety issue. Rodents, roaches, snakes, and other critters are commonly found in these piles of trash. Stagnant water can attract mosquitos and other bugs. In addition, unknown chemicals, liquids, or harmful materials can be released during rainfall events and impair our precious nearby water bodies. Broken glass, exposed metal, nails, screws, and other hazards can cause serious injuries or worse if curious kids (or adults) investigate the pile. Not to mention odor nuisance for the community. Studies have shown that the waste for illegal dumping is usually transported less than 3 miles from the perpetrator's home or business. Did you know that the City can fine or file criminal charges if the offender is caught?

These random acts of illegal dumping are burdensome to City workers and costly for the City to properly dispose. It's a unique challenge for the City to monitor all areas within their boundaries - especially those that are hidden or not traveled often. We are asking everyone to be responsible

and if you observe illegal dumping, please contact the City at 713-466-2133 or off-hours at 713-466-2118 or use the City's official Mobile App MyCivic or electronically report an issue at www.jerseyvillagetx.com/page/city ★

TIP OF THE MONTH

The Southeast Texas Winter is Here! Dress proper to lower your scores! We all know it is important to be able to turn, shift weight, swing arms naturally and keep good balance to hit good

shots. So, don't wear that big old bulky jacket like you are going skiing. When it is super cold, but you are playing golf no matter what – dress your top portion in layers. Two thin layers, three thin layers, even four thin layers are better than a big bulky jacket that does not allow any freedom of movement. Check out your Pro Shop at Jersey Meadow Golf Club and see the thin type long sleeves, wind shirts and jackets we have in inventory. Swing freely – swing better!

Promotions: Officers Ashley Walker and Nathan Pritz were promoted to the rank of Corporal on January 3, 2022. The members of the Jersey Village Police Department want to congratulate them on their new leadership role within our great organization. Well done!

Commendations: City Manager, Austin Bless, presented Records Clerk, Debra Smith with the Employee of the Month Award. Pictured below: Austin Bless, Debra Smith, Lt. Danny Keely and Chief Riggs. ★

Training: Lieutenant Hawley attended Command Staff Leadership Series at the Law Enforcement Management Institute of Texas (LEMIT), on the Sam Houston State University Campus. Lt. Keele attended Texas Police Chief's Association Best Practices Project Manager training, in Elgin Texas. ★

Public Works Major Accomplishments in 2021

- ★ The Wall St and Berm projects are just about complete.
- ★ Eliminated all of the city's documented violations.
- ★ Public Works is slowly building its Safety and Compliance program by adding safety devices!
- ★ We responded to the Ice Storm Uri and assisted hundreds of homeowners with leaks and icing issues.
- ★ Completed the City's required agency reports such as: Risk/Resilience study, Emergency Response Plan and our Drought Response Program, the EPP, Emergency Preparedness Plan. The 2021 MS4 study, our CRS study for flood insurance were all submitted. All permits are being renewed as needed.
- ★ In 2021, we acquired our new Street Sweeper from a grant that we obtained from VW.
- ★ Our Streets Division constructed/repairs sidewalks for 42 homes, 30 new curb and gutter repairs were done and 6 street panel replacements were completed in 2021 all within budget. We are planning on rebuilding 50 different sidewalks this year.
- ★ We are assembling a small laboratory for the Plant Division where we acquired a

- microscope and a CCTV camera so we can perform our own work!
- ★ Improved Record Keeping for the City, we have now digitized all of our hardcopy plans.
- ★ We helped build our TxDOT Soundwall along the South of Jersey Village.
- ★ The City repaired 16 Major water main breaks some of which lost us 500,000 gallons of water. We bill the contractors who cause us these issues. Good job to Derrick's team.
- ★ Our Fleet department purchased and installed equipment on 25+ vehicles. Repeating this year as well. Fleet auctioned our used vehicles for a 45% profit over the purchase price! Nice job Jose!
- ★ Public Works painted all of your streets for stop bars, striping etc. We will repeat this year.
- ★ Developed and trained several staff to develop a F.O.G. (fats, oils, greases) program for the City. We also completed the conversion from Chlorine to Chloramines and we completed our installation of SCADA systems on the plants and storage tanks.
- ★ In addition to normal operations and work orders, Public Works has embarked on several CIP projects for the City. The elevated water towers are being rehabilitated, the Seattle well is being plugged, the Soundwall was completed. All of our water valves will be

Tip of the Month

Warm up for Better Scores! How many golfers race to the course, head to the 1st tee and then immediately tee off without warming up? The first 2 or 3 holes are a disaster. Sometimes playing so much better later in the round. After the round, saying "man if I wouldn't have started triple, double, triple – I could have broken 90!" Always try to arrive 30-45 minutes before your tee time to warm up. A small bucket is fine (40-50 balls) and then spend 10 minutes on the putting green. Hit mostly short irons to start (8, 9 and wedges). Then finish up the last 10 balls with a couple of long irons and a few drivers. The greens can always be different speeds from day to day, so spend the last 10-15 minutes putting before teeing off to "get the speed down." Warm up before your tee time – it is a guarantee for a better score.

Happy Golfing – Matt Jones

Commendations: Officer Miguel Torres and Officer Ashley Walker were recognized as American Legion Officer of the Year and Officer of the 4th Quarter. Post Commander, Stefanie Otto representing the Jeremy E. Ray American Legion Post 324, made the award presentation at the January City Council meeting. Congratulation on a job well done! ★

Training: Officers Gonzalez and Garcia attended Caliber Press Street Survival course in San Marcos, Texas.

Coody Completes Recertification

Lorri Coody, City Secretary, City of Jersey Village, completed her required professional education for recertification as a Texas Registered Municipal Clerk. She was awarded her certificate on January 13, 2022.

Certification and recertification are neither easy nor automatic. Original certification required successful completion of approximately 200 hours of individual home study on a four-course curriculum and attendance at 96 hours of professional development seminars. Recertification requires 72 hours of classroom instruction and a selection of additional education options which may include: college-level courses, certificate from the CPM, or facilitated book discussions with independent comprehension assessments.

The Texas Municipal Clerks Certification Program, located at the University of North

Texas, Denton, Texas, is a university-level professional education program for city clerks and city secretaries in Texas. The program is the third oldest of thirty-three such programs in the country.

The Certification Program is recognized and endorsed by Section 22.074 of the Local Government Code, Vernon's Texas Codes Annotated. In 1984, the College Board selected the Texas Municipal Clerks Certification Program as one of sixty-four exemplary professional development programs in the United States.

Texas Registered Municipal Clerks are recognized for their achievements and contributions to effective, efficient local government by their mayors, city administrators, city councils, and the citizens of their communities. ★

Tip of the Month

Build Your Speed for Better Tempo

I sometimes see players that struggle with tempo because they start the swing all wrong. They immediately start back from the ball too fast or quick. A baseball pitcher starts his arm and shoulder back extremely slow and then starts increasing speed as he gets towards the top. Try this in your swing. For the first 2 to 3 feet, swing your arms and shoulders very slow and then as you start to get waist high increase the speed all the way to the top and keep that speed consistent through the hit. This can help your tempo!

Happy Golfing - Matt Jones

Jersey Village Police Department

Submitted by: Kirk Riggs, Police Chief

Commendations: Lt. Heath Hawley was recognized as the City of Jersey Village Employee of the Month. City Manager, Austin Bless made the award presentation at the March City Council meeting. Congratulations on a job well done!

Lieutenant Heath Hawley volunteered to be the Project Manager overseeing the implementation of our new Tyler Technology Public Safety Software upgrade. This project started over a year ago and has required him to involve multiple user groups to include; Fire,

Communications, Records, Evidence, IT and Police staff in preparation for our April 26th "Go Live" date. He has done an exceptional job planning, organizing and coordinating with these departments to minimize unforeseen issues during the implementation phase. This has been a tedious job requiring hundreds of hours of research, conference/zoom calls with Tyler staff, training on all the modules, i.e. CAD, RMS, Mobile, etc., and data entry, just to name a few of his responsibilities as project manager. This essential upgrade will provide our First Responders and Communication staff with a state-of-the-art software that will allow us to provide an even higher level of quality customer service to our community. He was the lead investigator and did an outstanding job supervising the scene of our Officer Involved Shooting (OIS) on January 5, 2022. He quickly secured the crime scene, contacted the Texas Rangers, and managed the scene with confidence.

On Sunday, February 13, our patrol officers responded to a homicide that occurred at one of our apartment complexes. He took on the responsibility of lead investigator in this multifaceted investigation. These are just a few examples over the past year of how he has demonstrated a willingness to take the initiative beyond his regular job assignments. He is a leader who demonstrates on a daily basis the ability to put theory into practical application in the most difficult of situations.

Training: Lt. Danny Keele attended LEMIT Leadership Command College first module at Texas A & M University in March. His next module will be at Texas Women's University and his final module will be held at Sam Houston State University. The leadership course is state-funded and the applicants have to submit a resume, write an essay and attend an 4 hours course prior to even being selected to participate. ★

Are you prepared for a Hurricane?

Recommended items for your Emergency Kit:

- Water, one gallon of water per person per day for at least three days, for drinking and sanitation
- Food, at least a three-day supply of non-perishable food
- Battery-powered or hand crank radio and a NOAA Weather Radio with tone alert and extra batteries for both
- Flashlight and extra batteries
- First aid kit
- Whistle to signal for help
- Dust mask, to help filter contaminated air and plastic sheeting and duct tape to shelter-in-place
- Moist towelettes, garbage bags and plastic ties for personal sanitation
- Wrench or pliers to turn off utilities
- Can opener for food (if kit contains canned food)

- Canned pet food

If you plan on Evacuating:

- Keep your vehicle in good repair with a full tank of fuel
- Check on friends and neighbors who may have special needs
- Persons with special needs should leave early
- Designate a meeting point with your family should you get separated
- Cell phone for emergencies
- Monitor local radio and television stations for the latest information
- Don't take unnecessary items with you
- Take your Pets

Be prepared. ★

Tip of the Month

Got the Chili Dips?

If you have a problem with that 5, 10 or 20 yard shot with your wedges – also known as hitting a “chili dip” or a “fat shot” – here are 3 things that can help.

1. Always play the ball a little farther back in your stance. I see many people place the ball in the same forward position where they hit their normal irons.
 2. Set your feet closer together and have a more open stance (remember more open means direction of the foot line is pointing a little to the left).
 3. Choke down on the grip. Don't hold all the way on the end like a full shot. Choke at least half way down on the grip. This will help eliminate “fat” shots.
- Try these 3 tips with all wedges for those 25 yards and in shots.

Happy Golfing – Matt Jones

Get Flood Insurance Today!

Your homeowner's insurance policy does not cover you for floods. However, because Jersey Village participates in the National Flood Insurance Program (NFIP), you can purchase a separate flood insurance policy. This insurance is backed by the Federal government and is available to everyone, even properties that have been flooded. Getting a flood insurance policy will help to pay for repairs after a flood, and in some cases it may help to pay for the costs of elevating a substantially damaged building. If your property is not mapped in a Special Flood Hazard area, you may qualify for a lower-cost Preferred Risk Policy. Some people have

purchased flood insurance because it was required by the bank when they get a mortgage or home improvement loan. Usually these policies just cover the building structure and not the contents. Be sure you have contents coverage. Don't wait for the next flood to buy flood insurance protection. In most cases, there is a 30-day waiting period before National Flood Insurance program coverage takes effect, so be proactive and get your flood insurance today!

The City also has information located at City Hall, and on our website at https://www.jerseyvillagetx.com/page/city.flood_control, that can assist you in assessing

your flooding threat. Some of the information includes basic FIRM information and information specific for your home. The city also tracks problems not shown on the firm. We can provide information about flood depth data, historical flood information, and advise you on natural floodplain functions. We also have resources on property protection.

For more information on flood insurance talk with our Community Development Office at City Hall or by calling 713-466-2110, talk with your homeowners or renters insurance agent or visit www.floodsmart.gov. ★

Citizen Involvement Welcome!

City government depends on residents who volunteer their time and expertise to participate in public service as members of boards and commissions. Boards and commissions fulfill an important role by evaluating issues which affect our community and making recommendations to the Council for needed action. Although most boards and commissions are advisory in nature, a few are decision-making entities. The value of these bodies is a direct reflection of the interest and dedication of our citizens in making Jersey Village a better place to live. City Council encourages you to apply for appointment to any board or commission in which you may be interested.

Council will consider alternate membership appointments to the Parks and Recreation Advisory Committee Board (PRAC) at its Regular May Council Meeting as well as appointments to the Tax Increment Reinvestment Zone No. 3 Board (TIRZ3) and the Planning and Zoning Commission (P&Z). Information about these boards can be found on the City website at <https://www.jerseyvillagetx.com/page/TIRZ3.home>, <https://www.jerseyvillagetx.com/page/pz.home>, and <https://www.jerseyvillagetx.com/page/parks.receventscomm>. If you are interested, please complete the on-line application at <https://www.jerseyvillagetx.com/page/city.boardsapplication> or contact Lorri Coody, the City Secretary at 713-466-2102. ★

City's May 7, 2022, General Election Information

As you may have heard, the City will contract with Harris County to conduct its May 7, 2022, General Election. The City chose to contract with the County because of the State constitutional amendment election that will also be conducted on May 7, 2022. City Council felt that it would be more convenient for voters to go to one place and have the ability to cast their ballot for both the constitutional amendments as well as their choice for City Councilmembers Place 1, Place 4 and Place 5.

In contracting election services to Harris County, perhaps the best source of information about what this means to you and Jersey Village residents is the City's General Election Notice. You can view a copy of the election notice at: <https://www.jerseyvillagetx.com/upload/page/0057/docs/2022/General%20Notice%202022-02-22%20Engand-Span%20-%20WEB.pdf>. This notice contains all the information for voters in connection with their voting activities.

In accordance with the Joint Election Agreement, Harris County will perform all of the duties that are connected to the election, including early voting and voting by mail activities. They will also be responsible for counting the votes and preparing the unofficial and official Precinct Returns. You will need to visit their website for this information at: <https://www.harrisvotes.com/ElectionRosters?lang=en-US> for the election rosters (day to day counts); and <https://www.harrisvotes.com/ElectionReports?lang=en-US> for the election reports (unofficial and official vote counts).

The Harris County home page is: www.harrisvotes.com/?lang=en-US. On Election Night, the City Secretary will be monitoring the Harris County home page for the election returns. Once the City's returns are posted, they will be uploaded to the City's website at: www.jerseyvillagetx.com/page/city.elections. ★

Tip of the Month

How do we aim?

Ever have those days when you are hitting the ball solid, but all your shots are not anywhere near your target? Check your aim! Always remember – YOUR CLUB FACE IS YOUR AIMER. I see too many golfers set up to the ball and aim their body (feet) at the target – wrong! You must set your bottom edge of the club perpendicular to the target (we call that getting your club face “square” in golf). Your club face is your aimer, nothing else and once your clubface is “square” to the target then set your body (feet) on a slightly parallel line to the left off the clubface line to the target (for a right hand golfer). If you are a left hand golfer – your body (feet) will be set on a slightly parallel line to the right of the clubface line to the target.

Commendations: Officer Bryant Wells was recognized as American Legion Officer of the Year and Officer of the 1st Quarter. Post Commander, Stefanie Otto representing the Jeremy E. Ray American Legion Post 324, made the award presentation at the April City Council meeting. Congratulation on a job well done!

Welcome to Team JV- We have two new certified officers who started in April. Officer Eric Aldava, who worked with the College Station Police Department for eight years and Officer Thomas Broadus, who was a detective with the Victoria Police Department. If you see them in your neighborhood, please welcome them to Jersey Village. ★

Long-Term Flood Recovery Plan Update

As we enter hurricane season it is a good time to review our progress of the Long-Term Flood Recovery Plan. The plan that was adopted, just weeks after Hurricane Harvey hit our area, had recommended structural projects of building a berm around Jersey Meadow Golf Course, E100 channel improvements, Wall Street neighborhood storm sewer improvements. It also had recommended non-structural alternatives recommended that included home elevations/buyouts and implementation of CRS. Since 2017 we have implemented nearly all those projects. The berm around the golf course is complete. The Wall Street drainage project is complete, and the pump station with it is awaiting electricity to be installed in May. We worked with our federal partners and Harris County to get the E100 channel improvement projects moving forward. That work should be completed this summer. We've written grants for home elevations. So far 21 homes have been elevated and another 32 are in the grant process for elevation.

We have joined the Community Rating System (CRS) at a level 7 and our residents now

On Saturday, April 30, 2022, the Jersey Village Police Department participated in the DEA National Take Back Initiative. We collected nine boxes weighing in at 227 pounds. We want to thank the residences and non-residences who took the time to come by and drop off their old Rx. ★

see a 15% discount on their flood insurance premiums. In May the application to move to a level 6 rating was submitted. If approved Jersey Village residents will receive a 20% discount on flood insurance for policies issued after April 2023.

On top of those recommendations, we worked with Harris County Flood Control District to include the E127 project in their bond program. The design phase of that project is underway and should be completed later this year. After that is complete, we will work with HCFCD to begin construction.

Overall, approximately \$15 million in federal grant funding has come to the city for these projects. The City Council and city staff worked with HCFCD for another \$1.5 million as well. We continue to work with HCFCD and our federal partners to bring in more grant money to alleviate future flooding, with current requests of over \$9 million that have been submitted. You can learn more about the Plan and find the status of the projects on our website: www.jerseyvillagetx.com/page/Long_Term_Flood_Recovery_Project. ★

Tip of the Month

Take a second or two to hit better shots!

I see so many golfers (especially on the range) take all this time to get the grip, get the posture, get the feet lined up, get the ball positioning – then waggle a few times THEN they don't even put the club behind the ball for a 100th of a second and they start the swing! All that stuff above is important but, after all that, at least set your club right behind the ball, in a "square position" and leave it and focus on the ball for one or two or three seconds..... then "pull the trigger". Just a couple of seconds before your take away can help your focus and your results.

City Accepts Parking Permit Applications Beginning August 1, 2022

The Cy-Fair ISD 2022-23 school year begins August 22, 2022. The City will begin accepting applications on August 1, 2022 for parking permits that allow certain residents to park on certain city streets within the school zones during the 2022-23 school year.

In 1999 City Council passed an ordinance providing exceptions in the no parking/tow-away zones on your street. The ordinance established a permit system, which, upon application, issues two parking permits. A person may park a motor vehicle, which displays the issued permit, on the street in

front of the address on the permit. The parking permit is issued annually upon application at no charge; however, replacement permits are \$25.00 each.

If you are interested in applying for a parking permit, please complete the Application for Parking Permit found on our website at: www.ci.jersey-village.tx.us/page/city.forms and submit it to the City of Jersey Village, Attn: Parking Permits, by mail or in person at 16327 Lakeview Drive, Jersey Village, Texas 77040 beginning August 1, 2022. ★

Tip of the Month

Hydrate! Hydrate! Hydrate!

Texas is already setting heat records very early this summer. This tip is a reminder that sometimes we think we are drinking enough, but the truth is we are not. When playing, try to remember to bring a “tumbler cup” and keep it full of water during the entire round. Of course, the grill has water bottles and PowerAde, but there is nothing like water!

We have cold water coolers on #3, #5, #7, at the turn, #11, #14 and #16.

If you are drinking alcohol, be smart for sure. Having a few beers during a round can be fun, but always alternate a water in between.

Happy Golfing - Matt Jones

Jersey Village Police Department

Submitted by: Kirk Riggs, Police Chief

Commendation: On Friday, May 27, 2022, the Jersey Village Police Department received a statewide request from the Texas Police Chief Association for assistance to the tragedy that occurred on Tuesday, May 24, 2022 in Uvalde Texas. On Sunday, May 29, 2022, we responded to their request for assistance by sending Officer Garcia. When Officer Garcia was contacted about the assignment, he accepted it with honor and without hesitation. When selecting the right person to go to Uvalde to represent the City of Jersey Village and the Jersey Village Police Department, we knew that Officer Garcia was the perfect officer to send. Officer Garcia leads by example for his fellow officers. He is dedicated to his profession and this agency. He prides himself in exhibiting a level of professionalism and is dedicated to accomplishing any assignment given to him immediately. Officer Garcia demonstrates a strong work

ethic, positive attitude and compassion for others on a daily basis. Officer Garcia was assigned to Uvalde Texas from May 5, 2022 through June 24, 2022. During his time in Uvalde, he assisted in patrol, security details, and escorts dignitaries. In addition to handling his assignments, he was able to mentor and just be a good listener for those involved in this tragic event. City Manager, Austin Bless presented him with the July Employee of the Month Award for his conduct, teamwork, and ability to lead by example.

On Thursday, May 19, 2022, Officer Garcia conducted a traffic stop that resulted in the seizure of drugs and guns. In addition

to locating narcotics and weapons, the stop also resulted in the discovery of a subject that was being smuggled into the United States by The Mexican Cartel. Officer Garcia is a proactive officer who actively seeks criminal activity on a daily basis. Officer Garcia spends much of his free time taking courses to gain more knowledge and continue to improve his skills. He is one that utilizes training and puts it into practical application. Excellent police work!

Training: Sergeant Brandon and Corporal Pritz attend a 40 hours Firearms Instructor course in Corpus Christi to improve and develop new skills, and techniques to assist officers and stay proficient with their firearms. This course teaches participants the ability to diagnose and correct student weaknesses, analyze, design and run courses of fire, and properly document police firearms training. These course Participants will be able to develop and implement comprehensive firearms training programs. ★

Jersey Village Fire Department Santa Program Christmas 2022

On September 17, 2022 at 9am, residents of Jersey Village will have an opportunity to sign-up for the Jersey Village Santa visits. This will be an on-line sign up through Sign-Up Genius. <https://www.jerseyvillagetx.com/page/Santa>, is the cities fire department Santa page. The link will be posted on that page. There will be plenty of time to see the link. You should not need an account with sign-up genius to sign up. Just pay attention to the link and make sure once the link is posted it will connect to the website. This link will be posted at least one week before September 17. There will NOT be an in person sign-up or phone sign-up. The only way to sign-up will be on-line through the link. To remind

everyone, if you have four or less kids, you will sign up for one slot. If you have 5-8 kids, you will sign up for two slots. No one can sign up for more than two slots and we will not visit more than 8 kids. This is critical so we may maintain our time schedule each night. If you sign up for more than you need, those additional slots will be deleted. This is a very simple process that should only take a few minutes to complete. The dates for Santa Visits will be December 9, 10, 11, 16, 17, and 18. Friday times are 6pm-9pm. Saturday and Sunday times are 5pm-9pm. If you have any questions, please email mb-itiz@jerseyvillagetx.com or call 713-466-2143 and leave a message for a return call. ★

Citizen Involvement Welcome!

City government depends on residents who volunteer their time and expertise to participate in public service as members of boards and commissions. Boards and commissions fulfill an important role by evaluating issues, which affect our community, and making recommendations to the Council for needed action. Although most boards and commissions are advisory in nature, a few are decision-making entities. The value of these bodies is a direct reflection of the interest and dedication of our citizens in making Jersey Village a better place to live. City Council encourages you to apply for appointment to any board or commission in which you may be interested.

Council will consider appointments to most boards and commissions at its September 12th Council Meeting. If you are interested, please complete an application. If you currently have an application on file, please contact the City Secretary to confirm your interest in serving with the City. Only new or confirmed applications will be considered. To view an online application, visit the City of Jersey Village's website at www.jerseyvillagetx.com/page/citysec.home or contact Lorri Coody, the City Secretary at 713-466-2102. ★

Tip of the Month

Why is it SO HARD to make putts?

I have a saying "putting is the easiest thing to do, but it is the hardest thing to be good at." There are two (2) main things to concentrate on with putting:

1. AIM – Not your feet and not your body but your putter head. Imagine your putter as a straight line and adjust it to perpendicular to the target "square" in golf terms.
2. FEEL FOR DISTANCE – Distance of a putt is "feel." Uphill, downhill, fast greens, slow greens – you have to "feel" how hard to stroke it. Always try to run the ball by the hole 1' to 2' if you miss. Never try to die the ball into the hole. Concentrate on these two things for better putting.

Jersey Village Police Department

Submitted by: Kirk Riggs, Chief of Police

A few members of the Planning and Zoning Commission sought clarification concerning the need to have golf carts licensed by the State of Texas. It was pointed out that our website page concerning golf carts states that license plates are required, but the Ordinance actually passed by City Council back on June 15, 2020, was not clear concerning the need for golf carts to have a license plate.

In reviewing this matter, the Ordinance was amended on September 12, 2022 clarifying the State's license plate requirement in the City's Code – the only change made between the State law and the City's Code will be to use the word "road" instead of "highway".

Every golf cart operated within the city shall be equipped with all the following equipment:

- headlights, • tail lamps,
- reflectors, • parking brakes,
- rearview mirrors • license plate; and

• a slow moving vehicle emblem as provided for in Texas Transportation Code §547.703, as it exists at the time of the adoption of this article or as it may be amended thereafter.

To apply for a license plate please submit this Application (Form 130-U) along with a photocopy of your title, and a check or money order for \$15 made payable to: Ann Harris Bennett and a note stating you are requesting Off-Highway License plates. A copy of the form can be found on the City's website page www.jerseyvillagetx.com/page/city.golfcarts.

Mail document and fee to:

Ann Harris Bennett Harris County Tax Assessor-Collector
PO Box 4089 Attn: Peggy Martinez, 1st Floor
Telephone: 713-274-8000

You can find more information on the TX DMV requirements for golf carts by visiting www.txdmv.gov/motorists/buying-or-selling-a-vehicle/unique-vehicles.
You can read the original Ordinance

2020-15 along with the license plate clarification Ordinance 2022-37 by visiting the following webpage www.jerseyvillagetx.com/page/city.golfcarts and clicking on the link at the bottom of the page.

You will have until January 1, 2023 to register your golf cart in compliance with this city ordinance.

Tip of the Month

The Grip

Interlock – Overlap – Ten Finger

Who cares? Right? What grip is correct? All of the above in my opinion.

As long as your hands are on the grip in a relaxed and proper way – it does not matter....

If your lead hand is less in the fingers, your forward hand is more in the fingers and the V's that are made by the forefinger and thumb point anywhere from your chin to your right shoulder – you are good regardless of which grip you are using.

Most of my Professional playing career, I overlapped. Now that I'm older and have some aches and pains in my hands and arms, I interlock. When I was a high school and college player, I used the ten finger grip. It just really doesn't matter, pick one and practice.

Jersey Village Police Department

Submitted by: Kirk Riggs, Chief of Police

Welcome to Team JV- We want to welcome Officer Ashley Walker back as a part-time officer. After leaving in March to take a position in the private sector at Methodist Hospital in the Woodlands, she asked to stay on as a reserve officer, and is now back as a part-time officer to help cover shifts.

Accomplishments: Officer Shelby Skero completed a 20-hour State approved Breath Test Operator School at the Harris County Sheriff's Office Academy on October 12, 2022. In addition to receiving state certification as a breath test operator, she successfully completed this course of instruction to be eligible to receive TCOLE credit. Congratulations!

The Jersey Village Police Department wants to help protect our citizens from being victims of package theft this holiday season.

We need your help to apprehend these types of thieves, so please contact us

if you see anyone acting suspicious in your neighborhood. Contact our communication center at 713-466-5824, and we will send an officer out to investigate.

Here are a few suggestions to help keep your packages safe. You can have your packages delivered to a location, other than your front porch. Use an Amazon Hub Locker to receive packages at secure locations. Locker locations can be found when selecting a shipping address during the checkout process or when adding a new address in Your Account. You can ship them to a UPS/FEDEX/USPS store or have a neighbor keep an eye out for your delivery.

Our department provides a safe location for face-to-face purchases in our parking lot. Just follow the signs and park in the designated parking areas on the west side

of the police department. These are just a few ways to help prevent package theft during the holiday season. Feel free to contact our department at 713-466-5824 if you have any questions or concerns. ★

Happy Holidays!

- * Saturday, Dec. 3rd 3 pm -- chipping

Tip of the Month

Golf is a 4-hour game!

No one likes to wait on someone in front of them on every shot. A golf round should move smoothly and swiftly. You don't have to hurry all the time, but play what we call, "ready golf." It takes you and all golfers on the course to do your part and keep your 4-hour pace. Examples are:

- We have GPS monitors on every cart showing distance to the front-middle-back of the green. Glance at the location of the pin, figure your "estimated" yardage, pick your club and hit it!
- When your partner is hitting guess your "estimated" yardage and grab several clubs and walk to your ball when they are hitting.
- Limit your practice swings. One is plenty. I take none.
- Know the rules so if you are in a penalty area or out of bounds or ground under repair or casual water – you know what to do and drop a ball and hit it!
- When you need to chip, take several clubs in case you need more or less loft and take your putter!
- When on the green, read your putt while others are putting – so you are ready to putt when it is your turn. Don't mark 2 footers! Walk up and putt out.
- Use the beverage cart when you can and don't get cooked to order food at the turn. We only allow 10 minutes max from #9 green to when you tee off #10.

Tip of the Month

Please Help Our Course!

It is so hard to maintain quality turf on the course. Of course, we have our full time course maintenance staff, but GOLFERS CAN HELP TOO! Here is a list of some of the things that matter (especially in the winter months):

- We have ENTER and EXIT post on all the par 4's and 5's. The carts should only enter the fairway past the enter post and always return back to the path well before the exit post.
- "The 90 degree rule" - means to always drive on the cart path as much as possible and when you are even with your ball in the fairway - drive out straight to the ball and drive straight back to the cart path. Never run parallel to the cart path or straight down the fairway.
- Par 3's are always cart path only but sometimes we need a reminder.
- Sand your divots after iron shots. Our carts provide 2 sand bottles and we have a refill box on #5 and #14. You can also exchange full bottles for empty bottles at the 10th tee.
- Fix your ball mark on every green - plus 2 more!
- Stay in the middle of the cart path and pay attention when making turns. This will avoid making ruts on the edge of the cart paths.
- Don't drive your cart to every ball. It is okay to walk some, right?

These are just a few tips to help do your part as the golfer. We have a true vision to get our course to the best conditions ever!

Happy Golfing - Matt Jones
