

**MINUTES OF THE MEETING OF THE JERSEY VILLAGE
PLANNING AND ZONING COMMISSION**

April 18, 2022 – 6:00 p.m.

THE PLANNING AND ZONING COMMISSION MET ON APRIL 18, 2022, AT 6:00 P.M. IN THE CIVIC CENTER MEETING ROOM, 16327 LAKEVIEW DRIVE, JERSEY VILLAGE, TEXAS.

A. The meeting was called to order in at 6:11 p.m. and the roll of appointed officers was taken. Commissioners present were:

Rick Faircloth, Chairman

Debra Mergel, Commissioner

Eric Henao, Commissioner

Jennifer McCrea, Commissioner

Commissioners Courtney Standlee, Ty Camp, and Charles A. Butler, III were not present at this meeting.

Council Liaison, Drew Wasson, was present at this meeting.

Staff in attendance: Austin Bless, City Manager; Lorri Coody, City Secretary, Justin Pruitt, City Attorney; Evan Duvall, Building Official Representative; and Maria Thorne, Administrative Assistant.

B. CITIZENS' COMMENTS - Any person who desires to address the Planning and Zoning Commission regarding an item on the agenda will be heard at this time. In compliance with the Texas Open Meetings Act, unless the subject matter of the comment is on the agenda, the City staff and Commissioners are not allowed to discuss the subject. Each person is limited to five (5) minutes for comments to the Planning and Zoning Commission.

There were no Citizen's Comments.

C. Consider approval of the minutes for the meeting held on February 21, 2022.

Commissioner McCrea moved to approve the minutes for the meeting held on February 21, 2022. Commissioner Henao seconded the motion. The vote follows:

Ayes: Committee Members McCrea, Mergel, and Henao
Chairman Faircloth.

Nays: None

The motion carried.

D. Discuss and take appropriate action concerning the annual review of the City's progress in implementing the Comprehensive Plan and prepare the 2022 Annual Progress Report for submittal and presentation to the City Council on the May 18, 2022 Meeting.

City Manager, Austin Bless introduced the item. Background information is as follows:

As part of the Comprehensive Plan, the Planning and Zoning Commission is charged with:

- Recommending to City staff an annual program of actions to be implemented, including guidance as to the timeframes and priorities.
- Preparing an Annual Progress Report for submittal and presentation to the City Council

- Ensuring decisions and recommendations presented to the City Council are consistent with this plan's policies, strategies, and recommendations.
- Helping to ensure the plan is considered in the decisions and actions of other entities.
- Amending, extending, or adding plan revisions as necessary and appropriate.

This item is to conduct the annual review of the Comprehensive Plan with respect to current conditions and trends. The review is to provide a basis for adjusting capital expenditures and priorities, and will reveal changes and additions necessary to keep the Plan functional, current, and applicable long-term. It is recommended that the review include consideration of the following:

1. The City's progress in implementing the Plan;
2. Changes in conditions that form the basis of the Plan;
3. Community support for the Plan's goals, strategies, and actions; and
4. Changes in State laws.

An Implementation Progress Report was included in the Plan in order to aid with implementation. It provides a summary of the Plan's recommendations, and along with budget assumptions, it assigns a suggested time frame in which to commence action items.

The time frames are as follows:

SHORT-TERM RECOMMENDATIONS:

- Implementation of these action items should begin following plan adoption.
- Approximate time line: zero to five years following plan adoption.

MID-TERM RECOMMENDATIONS:

- Implementation of these action items will likely follow short term recommendations.
- Approximate time line: five to ten years following plan adoption.

LONG TERM/ON-GOING RECOMMENDATIONS:

- These action items should be continually addressed by City leaders (i.e. no specific time frame is applicable).

Included with this packet is a breakdown of the various goals from the Comprehensive Plan and where they are at, or when they are scheduled to be completed.

The Comprehensive Plan requires that all relevant demographic data regarding the economy of the City be compiled and updated at least annually. This information is included in the meeting packet.

Finally, there have been no changes in the law that will affect our Comprehensive Plan.

The Commission reviewed the information presented and engaged in discussion about the various projects included in the Comprehensive Plan. There were questions about reviewing the development codes in connection with smoke shops. Currently, there is a smoke shop located on Senate Avenue. City Manager Bless stated that no permits have been issued for this establishment even though they have been encouraged to do so. The City has approached the business and explained the process, telling them that they are not able to have that type of business at this location. They have been shut down by the police on two occasions. The City plans to visit the establishment again this week.

The history of this establishment was discussed by the Commission. Also, it was pointed out that the item concerning the permitted and specific uses in District H will help resolve these type businesses trying to locate in the wrong district.

There was also discussion about signage and requirements concerning verbiage. Mr. Duvall explained the history about cities trying to govern verbiage and the problems with same. City Attorney Pruitt also gave information about the changes that will be occur should the amendments to District H be approved. These changes, if approved, will only be for businesses moving forward. The process was discussed further with Staff addressing the questions of the Commissioners.

With no further discussion on this matter, Commissioner McCrea moved to approve the 2022 Annual Progress Report for submittal and presentation to the City Council at the May 18, 2022 Meeting. Commissioner Mergel seconded the motion. The vote follows:

Ayes: Committee Members McCrea, Mergel, and Henao
Chairman Faircloth.

Nays: None

The motion carried.

A copy of the 2022 Annual Progress Report is attached to and made a part of these minutes as Exhibit A.

Chairman Faircloth called a short recess at 6:31 p.m. to join the City Council in the Council Chamber for Item E, which is the Joint Public Hearing concerning amendments to Chapter 14 at Section 14-107

Once the Commission consisting of the following members was present in the Council Chamber, Chairman Faircloth reconvened the Planning and Zoning Meeting for the Joint Public Hearing with City Council at 7:00 p.m.

Rick Faircloth, Chairman
Eric Henao, Commissioner

Debra Mergel, Commissioner
Jennifer McCrea, Commissioner

The following members of the City of Jersey Village City Council were present for the Joint Public Hearing:

Chairman Faircloth reconvened the Planning and Zoning Commission Meeting at 7:10 p.m. in the Civic Center Meeting Room and called the next item as follows:

F. Discuss and take appropriate action regarding the preparation and presentation of the Final Report to City Council concerning the proposal to amend the Jersey Village Code of Ordinances at Chapter 14, Article IV, Section 14-107 concerning Permitted and Specific Uses in District H (Industrial District).

BACKGROUND INFORMATION:

A Joint public hearing has been conducted on April 18, 2022, by City Council and P&Z Meetings for the purpose of receiving oral comments from any interested person(s) concerning the proposal to amend the Jersey Village Code of Ordinances at Chapter 14, Article IV, Section 14-107 concerning Permitted and Specific Uses in District H (Industrial District).

The Commission must now give consideration to: (1) the directives of Council; (2) the discussions had concerning these issues at prior P&Z meetings; and (3) the comments made by the public during the public hearing; and after due consideration, prepare and vote the Final Report concerning this amendment.

The Commission engaged in discussion about the preparations of a final report.

With no further discussion, Commissioner Henao moved to prepare a final report recommending that City Council amend the Jersey Village Code of Ordinances at Chapter 14, Article IV, Section 14-107 concerning Permitted and Specific Uses in District H (Industrial District). Commissioner McCrea seconded the motion. The vote follows:

Ayes: Committee Members McCrea, Mergel, and Henao
Chairman Faircloth.

Nays: None

The motion carried.

A copy of the Final Report is attached to and made a part of these minutes as Exhibit B.

G. Adjourn

There being no further business on the agenda the meeting was adjourned at 7:12 p.m.

2022 Annual

Comprehensive Plan Progress Report

CITY OF JERSEY VILLAGE PLANNING & ZONING COMMISSION 2022 ANNUAL COMPREHENSIVE PLAN PROGRESS REPORT

On February 22, 2021, City Council approved Ordinance No. 2021-05, which adopted the Jersey Village Comprehensive Plan 2020 Update. As part of the Plan, the Planning and Zoning Commission is charged with preparing an Annual Progress Report for submittal and presentation to the City Council.

On April 18, 2022, the Planning and Zoning Commission conducted the 2022 annual review of the Comprehensive Plan and reports the following:

The City's Progress in implementing the Plan: In determining Plan's implementation progress, the Commission reviewed the Implementation Progress Report, made a part of this report as "Exhibit A". This report outlines the Plan's recommendations and suggested time frames for completing action items. The report also outlines the timeframe for items to be worked in future fiscal years.

There are no major changes in conditions for formed the basis of the Plan's goals, strategies, and actions.

The Commission finds that recommended projects and the timelines as presented in the Implementation Progress Report are sufficient and feasible given budget parameters, and recommends implementation of the plan in accordance with the report.

Demographic Data: Updates to relevant demographic data regarding the economy of the City are attached to and made a part of this report as "Exhibit B."

Changes in State laws: Finally, there have been no changes in the law that will affect our Comprehensive Plan.

Respectfully submitted, this 18th day of April 2022.

ATTEST:

S/Rick Faircloth, Chairman

S/Lorri Coody, City Secretary

Recap of Comprehensive Plan 2020 Update Implementation

This recap is being provided with information as of March 2022.

Future Land Use Recommendations

Establish a zoning overlay district for the Highway 290 corridor.

City staff is looking at this recommendation in conjunction with the recommendation below. The City has contracted with BBG Consulting to revamp our existing development codes, and this will be a part of the scope of that project. This project is expected to be completed late 2022 or early 2023.

Review existing development codes to identify incompatibility with the vision and desired uses (higher quality restaurants, services, and entertainment), and to protect residential neighborhoods.

The City has contracted with BBG Consulting to revamp our existing development codes, and this will be a part of the scope of that project. This project is expected to be completed late 2022 or early 2023.

Compile all relevant demographic data regarding the economy of the City and update at least annually.

This is done annually in July. The 2021 numbers came from the 2020 Census, which the City is working with the Census Bureau to ensure the accuracy of the count.

Conduct a full cost of service and revenue generation analysis for annexation of the extraterritorial jurisdiction (ETJ).

This project has not yet been started.

Promote aesthetically pleasing designs for retail and commercial land uses that are located at major intersections as destinations in their own right, but also as corridor framing uses.

Annually the city sends out communications to business owners encouraging the use of similar types of flowers and plants to what is recommended in our Branding Standards Plan.

Consider mixed use development, combining residential and nonresidential uses.

This is a mid-term project. It may be completed as part of our comprehensive look at the Chapter 14 Building and Development Codes.

Promote redevelopment and land use patterns that reduce the number and length of auto trips and support walking and bicycling. Encourage friendly, walkable environments within key destination areas of the community by offering incentives to developers such as reduced parking requirements.

This is a mid-term project. It may be completed as part of our comprehensive look at the Chapter 14 Building and Development Codes.

Public Services, Utilities and Flood Mitigation Infrastructure

Ensure a fire service rating equivalent to the city's current rating is maintained.

This is an ongoing item. The City continues to maintain a ISO rating of 2.

Continue positive working relationship with Harris County Flood Control.

The City maintains a positive working relationship with HCFCD. City Manager Bleess is in regular communication with HCFCD on projects that would impact the City.

Continue to implement the Long-Term Flood Recovery Plan.

Since 2017 there have been about 165 homes that have been identified for potential elevation. Since that time 37 of the homes have been awarded grant funding for home elevations, 3 are being mitigated as part of TIRZ 3, 2 others were purchased by FEMA through HCFCD, and 3 others were mitigated by the individual property owners. That leaves 120 homes that remain to be mitigated as of today.

The City continues to implement the Long-Term Flood Recovery Plan. As of this writing the City Manager has submitted a grant request for the FY21 FMA Home Elevations for 16 homes.

The City has contracted with Aguirre & Fields to design the E127 improvements that would bring the conveyance of the channel to the 100-year level.

Transportation and Circulation Recommendations

Develop neighborhood pedestrian connections through a trail system. Acquire/secure land needed for initial paths of trail system. Utilize existing bayous and conveyance channels to help expand the trail system if necessary.

City staff is working with Harris County, Harris County Flood Control District, and CenterPoint Energy to increase pedestrian connections to other existing trails outside of the City limits.

Explore TxDOT funding opportunities for multi-modal transportation alternatives.

City staff monitors funding opportunities.

Conduct a corridor pedestrian mobility study to identify specific corridor deficiencies and prioritize potential improvements.

This project has not yet been started. It is anticipated to get started FY23 Q2.

Prioritize sidewalk improvement areas based upon propensity to generate pedestrian traffic, with safe routes to schools and safe routes to transit of highest priority.

For FY22 the City Council allocated a total of \$225,000 for sidewalk replacement. Maps that are updated regularly [can be found on our website](#) showing what has been repaired so far and what is scheduled to be repaired.

Create an enhanced pedestrian environment along key entry roadways and those with adjacent residential development to encourage walking to local retail and service destinations, especially along Jones Road, Jersey Meadows Drive, and Castlebridge Drive.

City staff are working on this project, specifically as it relates to Jones Road as part of the FY22 City Budget. The other areas are currently being evaluated and will be budgeted in future fiscal years.

Encourage the County to connect Taylor Road west of the extraterritorial jurisdiction (ETJ) to provide better access for future development.

The City Manager annually reaches out to our County Commissioners Office on this topic. This connection likely would not be done until there is more density in the area between North Eldridge Parkway and Jones Road.

Economic Development Recommendations

Consider creation of a municipal management district (MMD) to fund corridor enhancements and on-going maintenance.

City staff will begin to look in FY23 Q1.

Encourage development of desired office, retail, service, and entertainment venues through the use of tax abatement, TIRZ, or 380 agreements.

The City Manager reaches out to realtors and property owners approximately every 6 weeks to remind them of the opportunities that exist and the tools the City has to help these types of developments.

Identify and target underserved retail market segments.

Annually the City Manager gets a report about the retail leakage. That information is shared with local property owners and is used to help target market segments that could do well in Jersey Village.

Prepare marketing materials highlighting the assets and advantages of Jersey Village.

City staff will begin work on this in Spring 2022.

Establish working relationships with commercial brokerages.

The City Manager reaches out to commercial brokerages that have locations in and around Jersey Village, or is listing property in Jersey Village, every 6 weeks. This has resulted in productive meetings and good working relationships with them.

Develop and implement an expanded Marketing Plan for the Jersey Meadow Golf Club.

Jersey Meadow Golf Course has seen record levels of play in 2020 and 2021. Increased marketing in specific targeted areas of Houston area a direct contribution to this success. Golf Course staff has also increased the number of events they do on the course, such as shot gun start tournaments, and created club house specials, have also directly increased the profitability of Jersey Meadow.

Since completion of the berm project the number of rounds played and revenue per rounds has increased. Right now the marketing that is being done has benefited the course to the greatest extent possible.

Assemble a package detailing the Jersey Village development process and available incentives.

The City Manager has information on the incentives offered by the city. A package detailing the development process is currently being updated to reflect our new permitting system and process that was implemented in the second half of 2021. A full package of this information will be available to the public and business community in April 2022.

Establish a business-owners council as a resource learning about the needs of businesses and communicating the City's goals to the business community.

This is a mid-term project. It is not anticipated to be looked at until FY24.

Procure an Economic Development Consultant to be considered by city management and the City Council.

This is a mid-term project. It is not anticipated to be looked at until FY24.

Identify potential redevelopment sites and create proposal packages to incentivize developers.

This is a mid-term project. It is not anticipated to be looked at until FY24.

Review current processes encountered by business expansions and relocations to reduce inefficiencies and make it easier for businesses.

In 2021 City Staff overhauled our permitting system. Now anyone can submit plans online, and track their progress through the review process online as well.

Due to voluntary staffing changes, the City has contracted with a local firm to do our building plan review and inspections. This has led to greater resources being available to the city and businesses and decreased the response times for plan reviews, permitting, and inspections.

Parks, Recreation, and Open Space Recommendations

Implementation of the projects identified in the 2020 Parks Master Plan.

The high priority projects of the 2020 Parks Master Plan have been included in the CIP Budget for FY 2022 and are being planned for the next several years. Projects to be completed in 2022 include the bathroom at Carol Fox Park. This project status, as well as the status of other city projects, can be found on our City Project page: <https://www.jerseyvillagetx.com/page/city.projects>

The Parks and Recreation Director is working on grant opportunities to help fund these projects to reduce the overall burden on the city budget.

Explore future funding potential to acquire additional park space based on parks and open space master plan.

This is a mid-term project. It is not anticipated to be looked at until 2025.

Review underutilized open spaces and convert to local pocket parks.

This is a mid-term project. It is not anticipated to be looked at until 2024.

Review and consider additional park improvements, such as outdoor exercise equipment and improved volleyball courts.

In late 2021 the Parks Supervisor improved the volleyball court by completely redoing it and improving the drainage. New park improvements such as a climbing structure were added in 2021, and a zipline was added in 2022. Excise equipment is being considered for future years.

Update City's pool facility with new equipment, slides and buildings.

In 2021 the pool house was remodeled to allow for better customer access and experiences. New bathroom furnishings were installed ahead of the 2022 pool season. New pool amenities such as a rock wall and diving board have recently been added as well.

Explore potential community volunteer opportunities to support the parks and recreation program.

The Parks and Rec Committee was expanded in 2021 to include alternate members. This allows more people to be a part of the committee and volunteer. This committee also actively recruits non-committee members to volunteer with the city at various events throughout the city. Volunteers are also moving forward with a Community Garden with a potential location off of Equador street across the bayou from Clark Henry Park.

Encourage league sports for youth and adults.

Parks and Recreation has created sporting leagues for adults such as kickball and volleyball, based on demand. The Department has worked with I-9 sports to bring youth baseball and soccer to Jersey Village. The Department is exploring opportunities to work with outside agencies to increase youth sporting leagues, include e-sports.

Coordinate with HCFCD on future trail connectivity along White Oak Bayou.

Trail connectivity is being investigated by City Staff and HCFCD. It is not anticipated that trails would be added to the bayou behind residential homes in Jersey Village. When the E100 work is completed residents can connect to the HCFCD trail system from Clark Henry Park and go all the way to Downtown on the trail system. Further connection of existing sidewalks in the city to trails outside of the city is the main consideration at this point in time.

Community Character Recommendations

Construct Phase 2 of the Gateway and Marquee Sign Projects to highlight the entrance to the City.

This project is underway and nearing substantial completion. Completion is expected in April 2022.

Explore strategic public/private partnerships with local businesses to encourage beautification efforts of their properties.

City staff communicates with property owners the character recommendations from the Wayfinding and Gateways Master Plan. Further partnerships, including funding opportunities, will be looked at for future fiscal years.

Review code enforcement procedures for their effectiveness, and make necessary changes.

Potentially adopt the International Property Maintenance Code.

A new code enforcement officer was hired in September 2021. She is learning the city and is working with BBG Consulting as part of their Code Re-Write to offer changes

Prepare a visual assessment survey of City corridors to identify problem areas that negatively impact community character and identify remedies/action plans available to address concerns.

Visual site assessment survey templates are being gathered. City staff will look at doing these surveys in late 2022. Staff is looking at soliciting citizen assistance in doing these surveys to gain feedback and input from residents.

Consider a more stringent tree preservation ordinance to protect existing tree resources.

Planning and Zoning looked at potential tree ordinance changes. They made minor tweaks to the ordinance. City staff has a recommended list of types of trees and works with Texas Parks and Wildlife and Texas A&M AgriLife Extension to maintain that list of trees.

Promote increasing the canopy along streets, parks, and open spaces.

This is a mid-term goal and is not anticipated to be looked at until FY25.

Reduce visual clutter by reducing the number of billboards and encouraging utilities be located underground.

City staff encourages utilities to be located underground. However fiscal restraints make this option not always feasible for utility companies. City staff is considering opportunities to reduce the number of billboards. However, there is no way to force these them to be moved.

Educate citizens on code enforcement requirements. Communicate status reporting of violations and corrections to the community.

The code enforcement report is done every month and shared publicly via the council packet.

Actively pursue the elimination of blighted conditions and properties.

Code enforcement is actively working on blighted properties. Recently one on Acapulco Dr has been demolished with a new home scheduled to be built on it.

Community Facility Recommendations

Construct new facilities for City Hall and Golf Course Club House.

City Council, in January 2022, set the goal of a new 1 story building for a club house and to completely redo the current club house to turn it into an event space. An architecture firm has been retained to design this new space.

The City has signed a letter of intent with a developer for the area of land on Jones Road south of US 290. It is possible that a new City Hall building could be a part of that development. The timing of that development is not firm as of right now.

Update and maintain existing public facilities to maximize usefulness.

City staff continually works to keep city facilities well maintained.

Planning and Zoning Commission Minutes

April 18, 2022

Final Report DISTRICT H - SPECIFIC USES

**CITY OF JERSEY VILLAGE – PLANNING & ZONING COMMISSION
FINAL REPORT
DISTRICT H – PERMITTED AND SPECIFIC USES**

The Planning and Zoning Commission has met on February 8, 2022, and on February 21, 2022, and in its preliminary report recommended that City Council amend the Jersey Village Code of Ordinances at Chapter 14, Article IV, Section 14-107 concerning Permitted and Specific Uses in District H (Industrial District).

The preliminary report was submitted to the Jersey Village City Council at its March 21, 2022, meeting. The report was received, and the City Council ordered a Joint Public Hearing for April 18, 2022.

On April 18, 2022, the City Council and the Jersey Village Planning and Zoning Commission conducted a joint public hearing, which gave the public an opportunity to make comments concerning the proposed amendment.

The Planning and Zoning Commission after duly considering all the information before it including that gathered at the Joint Public Hearing with City Council on April 18, 2022, recommends that City Council amend the Jersey Village Code of Ordinances at Chapter 14, Article IV, Section 14-107 concerning Permitted and Specific Uses in District H (Industrial District).

The necessary amendments to the City’s zoning ordinance to effect this recommendation are more specifically detailed in the attached proposed ordinance marked as Exhibit “A.”

Respectfully submitted, this 18th day of April 2022.

s/Rick Faircloth, Chairman
